FROM THE EDITOR'S DESK

From Birth, Oblige Earth!

From the land, we stand, to be the air we breathe, Species insight and creatures underneath,

Water to drink and ooze that flows,

Light that shines and green that glows,

The chirping sparrows to cawing crows,

Lifeless manure to seed it grows,

Are some blessings that we know,

Yet the provider gets no bow.

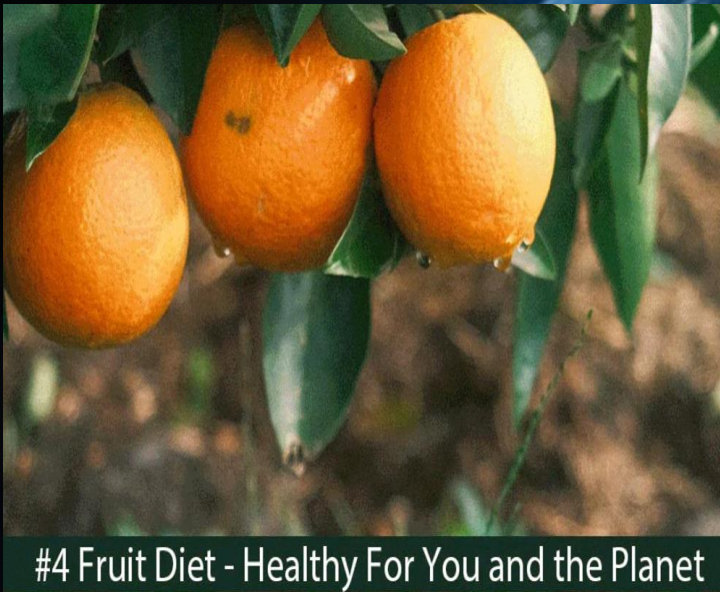

... Why?

-SUKHLEEN 12A

A nation that destroys its soil, destroys itself ”-Said Franklin D. Roosevelt

In this edition we request our readers to take a pledge to save soil. Let's join our hands not for today but for a brighter tomorrow. A rich soil is important for us as it's a complete ecology. Together we can do this.

FIVE WAYS TO PROTECT THE SOIL

From Birth,
Oblige Earth!

Advisory circular on rise of Covid cases in Delhi

N.K. BAGRODIA PUBLIC SCHOOL, ROHINI
SECTOR-9, AHINSA MARG, ROHINI, DELHI-110085

Dear Parents

17.04.2022

Namaskar!

You are already aware that the Academic Session 2022 - 23 has commenced in full swing with all classes operating in the offline mode. However, there have been reports of some school children testing positive for Covid - 19 in Delhi and NCR. In view of the surge in the number of Covid - 19 cases in the past few days, it is advised to exercise extreme caution to curtail the spread of Covid -19 in the city.

In an advisory issued by the Delhi Government, all schools have been directed to immediately inform the Health Department about any student with cough, cold, fever, diarrhoea or any other symptom of Covid - 19 in a preventive measure against the pandemic. Therefore, you are requested to counsel and guide your ward(s) to adopt COVID Appropriate Behaviour and exercise the following precautions:

- Maintain a safe distance from others (at least 1 metre), even if they don't appear to be sick.
- Wear a mask at all times.
- Clean your hands often. Carry sanitisers along.
- Get vaccinated when it's your turn.
- Cover your nose and mouth with your bent elbow or a tissue when you cough or sneeze.
- Stay home if you or any of your family members exhibit Covid/Flu-like symptoms.
- If you have fever, cough and difficulty breathing, seek medical attention immediately.

"How we handle change is the essence of our existence and the key to happiness, particularly in the current times of uncertainty". We strongly advocate that learning must always go on. Therefore, we must stand united as always, in our endeavour to identify and maximise learning opportunities for our students in these challenging times.

Stay safe, stay healthy!!!

Warm regards
