FOOTBALL TOURNAMENT

CLASS 4 AND 5

12-10-22 AND 13-10-22

"Football is like life. It requires perseverance, hard work, sacrifice, dedication, and respect for authority."

It is rightly said that football is played with the head, your feet are just the tools. The students of Grade 4 and 5 participated in inter-section football matches which were held on 12th and 13th October 2022 in the school playground. The excitement and enthusiasm displayed by the students was a sight to behold. Three rounds of the semi-finals were played among five sections of each class. The finalists were classes IV-A, IV-D, VD and V-E.

In the exciting final matches, classes IV-A and V-E won the tournament. The students who were in audience, spread loud cheers for their respective teams. The exhilaration among the students will be remembered by all for a long time.

INTER - CLASS DANCE COMPETITION

Class - I and II Date - 29.10.22

"Dance performance is an art of presenting a form of art that helps people to convey their feelings through a set of sequences of steps and expressions."

India has a rich cultural heritage and the various dance forms serve as a reflection of its diverse cultural traditions.

To celebrate the very cultural spirit of India, a group dance competition was organized for classes I and II on the theme 'Celebration of Festivals'. A group of twelve to fifteen enthusiastic dancers set the floor on fire with their spectacular performance.

The synchronisation and presentation of the students to celebrate various festivals like Lohri, Holi, Ganesh Chaturthi, Baisakhi, Teej etc. was truly applaudable.

Kudos to the kids for their amazing performance !

Celebration of Gandhi Jayanti

Class I to V

Date-1/10/2022

"The future depends on what you do today" - Mahatma Gandhi

The nation celebrates the birth anniversary of Mahatma Gandhi on 2nd October every year.

In order to sensitise the students about the significance of this national festival and to educate them about the great leader, interesting integrated activities were conducted by the teachers of the Primary Department.

Various Speaking Skill activities were taken up for the students of classes I to V to give them an insight into the facets of Bapu ji's life and principles.

Recitation, Write and Speak a Slogan, Gandhiji's Contribution in Struggle for India's Independence along with Craft Activities instilled a fervour of patriotism in the young citizens of India.

It was a treat to hear the students extending their tribute towards the great leader with such enthusiasm and confidence.

The day's celebration certainly helped the learners to inculcate Gandhian values of truth and non-violence.

Topic- Sharing is Caring

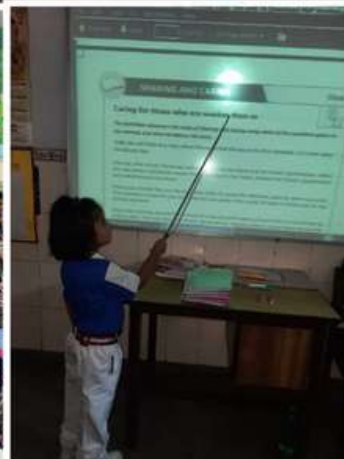

'Sharing is caring, caring is loving and loving is living'

To sensitise the students about the values of sharing, a story was shared with the students of class V based on this theme. Students understood that one small sacrifice from their side can help support and strengthen others. They also understood that they should not tease anyone around them because they are different. Students were much touched by the moral of the story.

"To be Healthy as a Whole, Mental Wellness Plays a Role"

First held in 1992 as an initiative of World Federation for Mental Health, 10th October is the day dedicated to raising awareness about mental health issues and to fight the stigma still associated with it.

To promote this year's theme 'Make Mental Health and Well-Being for All a Global Priority ', the teachers educated the students to embrace mental well-being. The morning began with a meditation and an exercise session followed by age-appropriate discussion and activities. Students were indulged in laughter-yoga, awareness -raising slogan writing, peer-bonding games, self-introspection sheet and healing art therapy. The day concluded with a pledge-taking session where the students and teachers took a pledge to help those in need and ensure that they themselves don't fall into the trap of physical and mental instability. It was indeed an insightful and a healing session for all !

Little girls with *DREAMS become women with VISION

International Day of the Girl Child is celebrated on 11th October we across the globe to recognise girls' rights and the unique challenges, girls face around the world.

To recognise this day, Class I and II of NKBPS Rohini conducted an event, in which parents were asked to share a special photographic memory with their girl child - like theme birthdays, first international trip, first solo kitchen dish, twinning days and many more.

Each moment captured was delightful in its own way. Such small initiatives help in giving due importance to girl child and support in empowering them for a brighter tomorrow .

CLASSES - I TO V
DATE - 17.10.22

"THE ART OF GIVING SOMETHING TO OTHERS IS AN ACT OF FLOWERING YOUR HEART."

OUR LIVES ARE FULFILLING WHEN WE GIVE AND SHARE. GIVING MAKES US FEEL HAPPY AND EVOKES A FEELING OF GRATITUDE .ONE SMALL ACT OF KINDNESS FROM US IS WORTH MORE THAN A GRAND GESTURE.

THE JOY OF GIVING IS AN EVENT THAT IS OBSERVED EVERY YEAR IN OUR SCHOOL, REFLECTING THE SPIRIT OF EMPATHY AND GENEROSITY. THIS GIVES US AN OPPORTUNITY TO REACH OUT TO LESS PRIVILEGED PEOPLE.

THE STUDENTS OF PRIMARY DEPARTMENT WERE WELCOMED BY THE CHILDREN OF SHANTI DEVI ARYA KANYA GURUKUL WITH WARM FEELINGS AND THEY SPENT VALUABLE TIME WITH EACH OTHER.

THIS SMALL STEP AIMED TO IGNITE A SPARK IN CHILDREN TO GIVE MORE AND HELP THEM REALISE THE MANY WAYS THEY CAN HELP !

Diwali Activity

21.10.22

Class 1

"Let the lights of Diwali illuminate the new chapters of our lives."

Diwali symbolizes the spiritual victory of light over darkness, good over evil, and knowledge over ignorance. To illuminate the same spirit, the students of class 1 decorated the candles. Candles have evolved over a time from a source of light to a decorative material and enhance the exterior and interior of our house. The students were extremely delighted and deeply absorbed in the activity. We wish them a very Happy Diwali. May the light of candles lead them onto to the road to prosperity .

“Play is our brain’s favourite way of learning.”

A fun-filled bagless day was observed on 21st October, 22, wherein various engaging and fun learning activities were planned for the students of Class III.

Floral Rangoli-

It is believed that rangoli brings happiness and prosperity so it is a custom in India to make rangoli during festivals.

As a part of the Diwali celebration in school, the children made beautiful floral rangolis at the entrance of their class and in the corridor.

English—

Students prepared informative posters on the topic ‘Pollution Free Diwali’. The aim was to sensitize the students about the harmful consequences of bursting crackers and to encourage them to celebrate ‘Green Diwali’.

Hindi -

Students role played some of the main characters from the great epic - The Ramayana. Some of them also recited beautiful poems on Diwali.

EVS -

A PPT and video on Diwali were showcased to the students to give them more information about how and why we celebrate Diwali.

Subject-related activities were integrated with visual and performing arts to enhance their 4C’s. It was indeed an eventful and fun-filled day for all.

Diwali brings the light that gives us hope over despair, and may our spirits be uplifted as we look forward to good times ahead.

The festival of Diwali is believed to be the ultimate victory of good over evil. The lighting of diyas and lamps is seen as the eradication of darkness, as we move towards a bright and hopeful future.

Lantern Making

The students of Class V made beautiful lanterns out of paper and decorative materials. Lanterns symbolise joyful reunion with the loved ones

The children's creativity and excellence filled our hearts with joy and cheer.

E-Ramayana

The students also witnessed the glorious tales of Ramayana and re-acquainted themselves with our rich culture.

Pledge

They took a pledge not to burn crackers so as to mark the festival of lights with the added efforts for the protection and conservation of environment.

**“*All day and no fun
makes Jack dull boy.*”**

To keep the spirit alive and add some extra fun in the mocktail of life, October 15, 2022 was observed as a "Bagless Day" for Classes I.

After the morning routine, the fun day begun with an Extempore activity where the students were shown pictures of different objects like a tree , chair , a book, etc . and were asked to describe it in their own words .

This activity helped students to improve their speaking skills and enhance their confidence while facing their peers.

"*Lost time is never found again".*

To make the children understand the importance of time and also to teach them how to read a clock to know the time, the students were helped by their teachers to make “tailor made” wrist watches using paper. The children decorated their watches and enjoyed the activity.

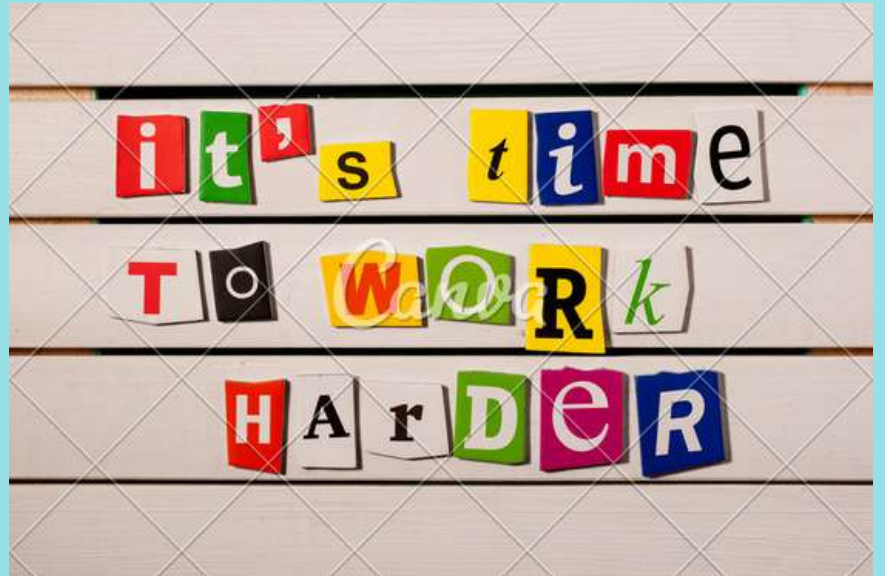

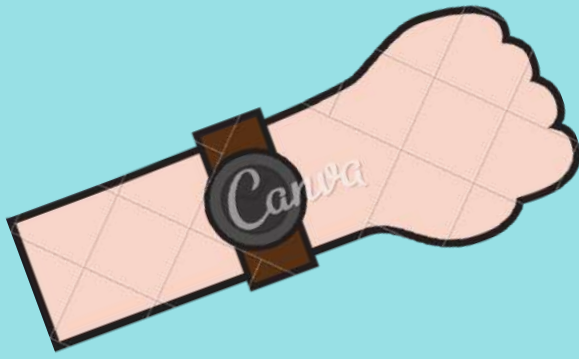

It was fun watching children wearing this handmade craft!!

"*Story telling is the most powerful way to put ideas into the world today.*"

There are many little ways to expand and enlighten a child's world and story telling is one of them. With this thought the teachers narrated a moral story to the students to promote a feeling of well being and discussed the same through a healthy discussion in class.

Last, but not the least, to conclude the amazing day, the students tapped the dance floor and danced together.

Overall, the Bagless Day was enjoyed and appreciated by everyone.

"BEST WAY TO CONQUER STAGE FRIGHT IS TO KNOW WHAT YOU ARE TALKING ABOUT"

Extempore is an excellent way to assist the students not only in spontaneous thinking but also in asserting their creative ideas.

To make the students confident and better orators so that they can fearlessly express their views on any topic, an Extempore activity was conducted for the students of class II on 15th October wherein the students were asked to speak a few lines on different topics as Market scene , Garden , Classroom ,etc.

The students spoke with confidence and gave their best on the topic they got.

Overall, it was a great learning experience for the students and their efforts were remarkable.

हिन्दी संवाद लेखन

'कल्पनात्मकता ही सपनों को पंख देती है' विद्यार्थियों में जीवन-मूल्यों के विस्तार हेतु 'प्रायश्चित' कहानी के माध्यम से उन्हें अंधविश्वासों को न मानने की शिक्षा व्यंग्यात्मक शैली में दी गई। मनोरंजन के साथ-साथ लेखन कौशल विस्तार हेतु कहानी के मुख्य पात्रों 'रामू की बहू व बिल्ली' के बीच संवाद-लेखन का कार्य चित्र सहित करवाया गया। कक्षा में अपने संवाद सुनाते समय विद्यार्थियों का जोश सराहनीय रहा।

"व्याकरण विषय का आधार है।"
धातु परिचय पर आधारित चित्रात्मक अभिव्यक्ति

विद्यार्थी संस्कृत विषय में बहुत रुचि लेते हैं। विषय को रोचक बनाने के लिए धातु क्रिया को खेल-खेल में सिखाया गया। सभी विद्यार्थियों को समझाया गया कि स्त्रीलिंग और पुल्लिंग दोनों रूपों में क्रिया का प्रयोग समान होता है। छात्रों ने कक्षा में पूरे जोश के साथ क्रिया कलाप में हिस्सा लिया। छात्रों ने धातु क्रिया के फ्लैश कार्ड भी बनाए एवं वचन एवं क्रिया के समन्वय से वाक्य भी बनाए।

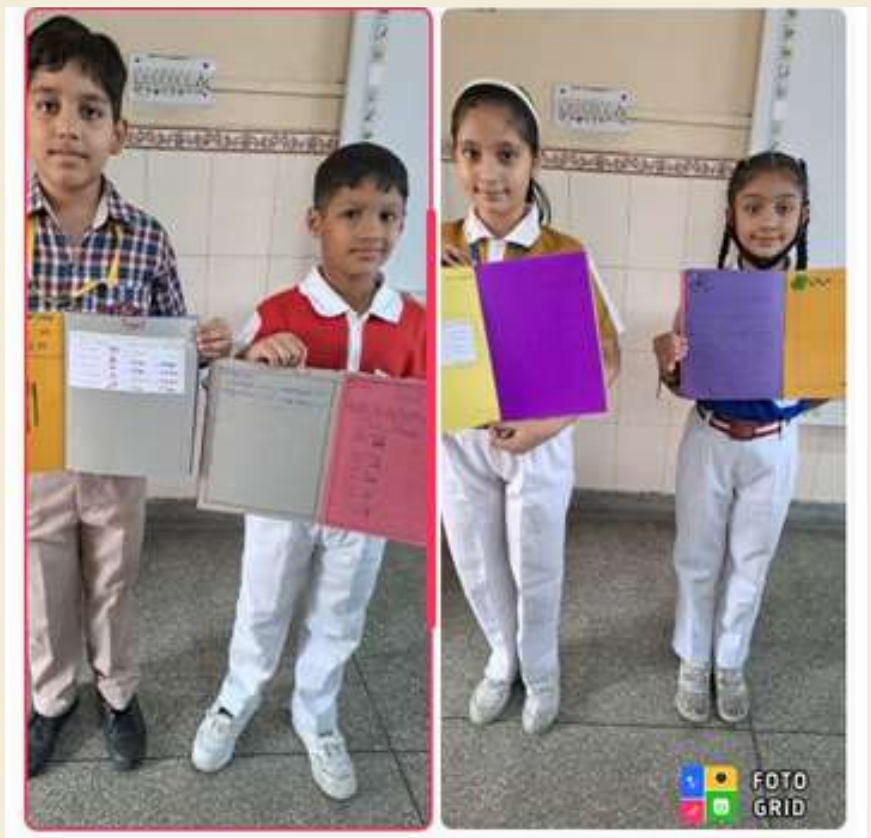

Class V Mathematics Measurement Hunt

I hear and I forget, I see and I remember, I do and I understand.

Measurement is the quantification of the attributes of an object or event, which can be used to compare with other objects or events. Measurement is a process of determining how large or small a physical quantity is as compared to the basic reference quantity of the same kind.

The students of grade V estimated length, mass and capacity of various objects and also measured their actual values. Based on the Do and Learn approach, this activity encouraged Experiential Learning.

EXPERIMENTS

"The only source of knowledge is experience."

-Albert Einstein

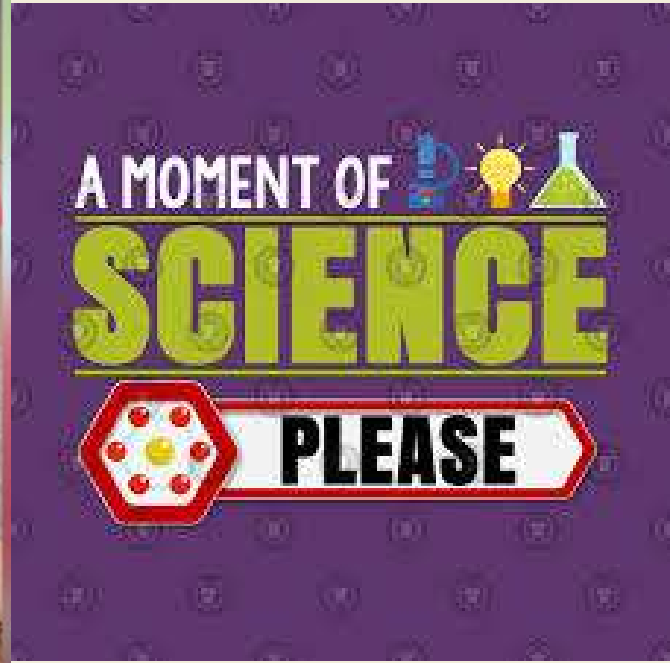

***The students of Class V undertook an investigative activity to discover the patterns and arrangements of world around them by using their hands, senses and minds. They explored the physical properties of an ordinary object and noted their conclusions .**

***They drew and coloured the object and tabulated their findings.**

***The students observed the difference between the crystals of sugar and salt with the help of magnifying glass (hand lens) and noted the variation.**

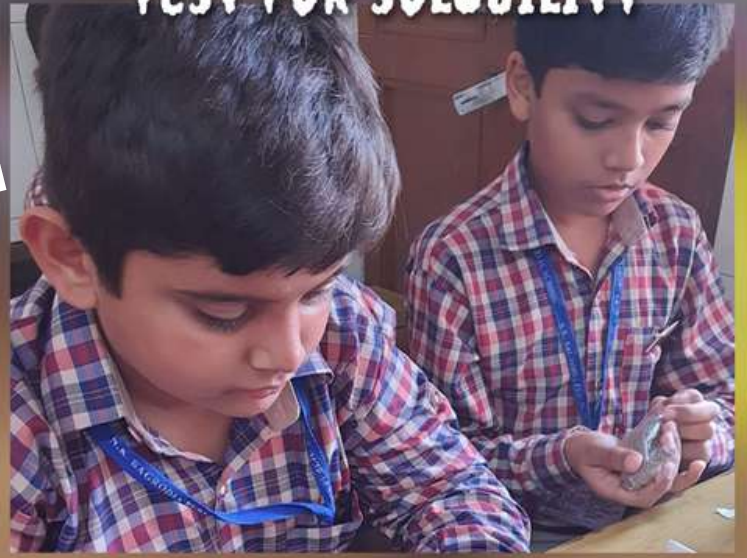

***The students conducted the test for solubility of some common substances and recorded their findings.**

This activity enhanced their critical thinking and observational skills.

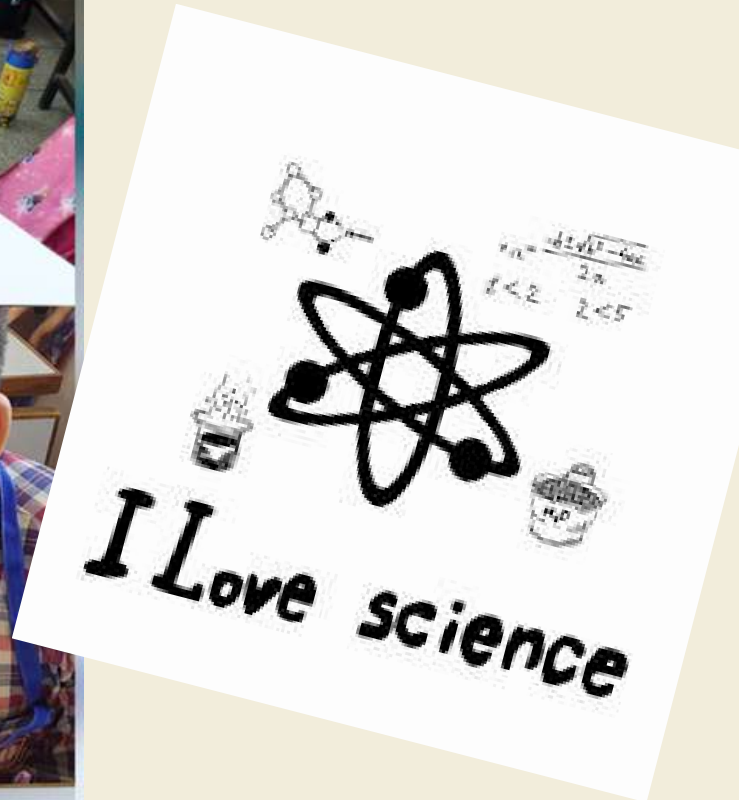

TEST FOR SOLUBILITY

Let's observe closely

'Eat healthy food for snacks' is the maxim every calorie and health conscious individual lives by. The students of Class V prepared a sweet snack using dates and cashews and garnished it with colourful toppings of their choice. It was a melange of colour, texture and flavour and a feast for the eyes.

The idea was to encourage the willing consumption of a snack that could be whipped up in a jiffy with ingredients that are important for brain and health. It boosts energy levels, immunity, has anti-ageing properties .A quick, healthy and delectable bite !

Newspaper Activities

Newspaper is a wonderful educational tool. In order to enhance proficiency in English language and to strengthen Mathematical skills, various puzzles, riddles and activities were taken up in the class. Students enthusiastically took up all the tasks and ended up learning multiple skills in an integrated manner.

Remedial Teaching Class I to V Date : 22.10.22

"If a child can't learn the way we teach, may be we should teach the way they learn".

In order to bridge the learning gap, an initiative is taken by the teachers of the Primary department to conduct Remedial classes for the students facing challenges in learning. The teachers adopted different teaching strategies to help students come up to the level of the main stream. These classes will be an integral part of teaching learning process and help children reach their potential. To begin with, the requisite teaching activities were implemented to ensure that the students overcome learning barriers and have a clear understanding of the foundational concepts.

“The quality of an education system can never exceed the quality of its teachers.”

— Andreas Schleicher

LIFE'S LITTLE PLEASURES

'LIFE IS MADE UP OF SMALL PLEASURES . HAPPINESS IS MADE UP OF THOSE TINY SUCCESSES. THE BIG ONES COME TOO INFREQUENTLY. AND IF YOU DON'T COLLECT ALL THESE TINY SUCCESSES, THE BIG ONES DON'T REALLY MEAN ANYTHING.'

AS HUMANS, WE ACTIVELY SEEK OUT EXPERIENCES THAT CAN BRING US HAPPINESS. WE LOOK OUT FOR TAKING A TRIP, WATCHING A MOVIE, BRINGING NEW DRESSES TO UPLIFT OUR MOOD. BUT WE FORGET THAT IT'S THE LIFE SIMPLE PLEASURES, MOMENTS WE EXPERIENCE AND FEEL EVERY DAY THAT GO UNNOTICED THAT REALLY GIVE US AN UNEQUIVOCAL AMOUNT OF JOY.

WE AS PARENTS AND TEACHERS OFTEN COMPLAIN THAT OUR KIDS HAVE BECOME TOO DEMANDING. AT THEIR TENDER AGE, THEY ALSO TRY TO GET HAPPINESS BY EITHER ENGAGING THEMSELVES WITH THE GADGETS OR DEMANDING EXPENSIVE THINGS. AS ADULTS , IT BECOMES OUR RESPONSIBILITY TO SOMEHOW MAKE OUR KIDS REALISE THAT TRUE HAPPINESS CAN BE ATTAINED BY FINDING PEACE IN LIFE'S SIMPLE PLEASURES. FOR THIS, WE MUST INDULGE WITH OUR KIDS IN DIFFERENT ACTIVITIES SUCH AS MAKING SHADOW PUPPETS WITH OUR KIDS,BUILDING A TIRE SWING, BUILDING A MASSIVE FORT WITH THE BLANKETS AND FURNITURE AVAILABLE EASILY AT OUR HOME, DOING FINGER PAINTING, PLAYING WITH BUBBLES, DRESSING UP WITH THE AVAILABLE CLOTHES AND JEWELLERY TO TRANSFORM INTO OUR KIDS' FAVOURITE CHARACTER. THESE ACTIVITIES WILL HELP OUR CHILDREN GIVE VENT TO THEIR CREATIVITY , LEARN NEW SKILLS AND DISCOVER LIFE'S TRUEST HAPPINESS AND TREASURES .

'MAY WE ALWAYS BE THE ONE WHO SEES THE LIGHT IN THE LITTLE THINGS.'

प्रकाश पुंज

व्यथा के नीरद को डिगाकर,
मन के तारों को झनकाकर,
तिमिर की कालिमा को बंधकर,
चहुं दिशा को आलोकित करना है,
बाधाओं से जूझकर,
हमें दान - उत्सव मानना है ।
असहायों को आसरा,
वृद्धों को सहारा ।
याचकों को भोजन का दान,
विद्यार्थियों को शिक्षा का ज्ञान,
बटोही की शिथिलता का हरण,
बेघरों को शरण,
हर कीमत में दिलाना है,
उन्हें सफलता एवं आशा का मार्ग दिखाना है,
तन के शैथिल्य, मन की तृष्णा को दबाकर,
हमें परोपकार का पर्व मनाना है ।
कर्ण, विक्रमादित्य, राजा बलि न बन सकें,
अज़ीम प्रेमजी, रत्न टाटा का अनुसरण कर,
हतोत्साहियों के लिए, प्रकाश स्तंभ बनना है ।
रिश्तों के धागों को पकड़कर,
मिलजुलकर, पाक दिल से,
हर मन की खिन्नता को
दूर भगाना है,
हमें परहित का त्योहार मनाना है ।
जीते जी मददगार बनकर,
अपने हाथ पवित्र कर जाएँगे ।
सौगंध हमें है माटी की,
मरकर भी अपने अंग, दिव्यांगों को दे जाएँगे ।
बस यही आरजू है,
व्यास के वंशज होकर उनका नाम न डूबाएँगे ।
हर कोने - कोने को रौशनकर
लोगों के अवसाद मिटाएँगे ।
हम हर दिन यह प्रकाश का पर्व मनाएँगे ।

"Come, little leaves,"

Said the wind one day.

"Come down to the meadow

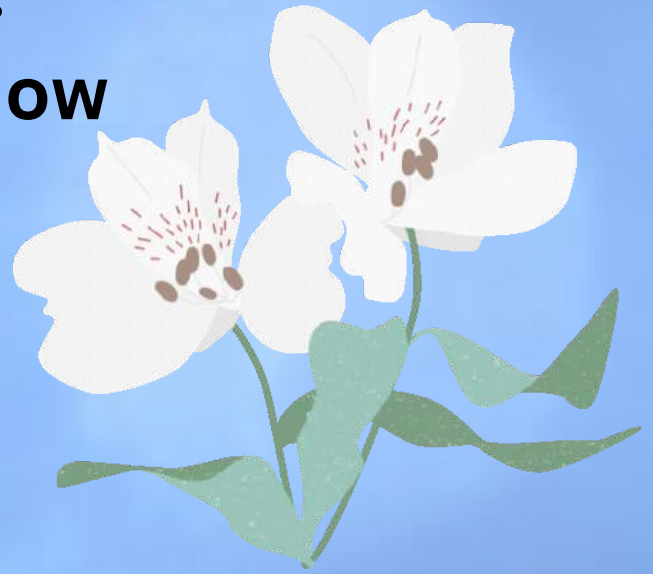

And we shall play.

Put on your dresses

Of red and gold.

For summer is past

And the days grow cold."

Dancing and leaping

The leaves went along,

Until winter called them

To end their sweet song.

Soon, fast asleep

In their early beds,

The snow lay a coverlet

Over their heads.

Looking forward to a

Dynamic November
