HOLIDAY HOMEWORK

Keep your child's brain active over break without them knowing they're doing "homework."

Summer vacation is every child's favourite time of the year as they can do all the things they enjoy during these days. Children get a chance to learn new hobbies and spend more time with their friends.

Embracing the cheerful news of summer break, to keep the students busy and channelise their energy in proper direction, assignments of all subjects have been designed for students. Facilitate your ward to attempt the assignments creatively and independently as it will help them to elevate their skills and spend their vacation ingeniously. Let your children explore the world through their favourite books/stories/novels and share them with their siblings /parents /grandparents. Students must visit various places and explore the exquisite world around them.

Enjoy your vacation !!!

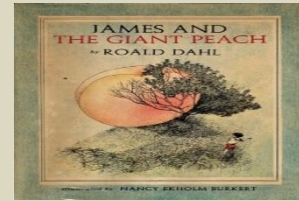

ENGLISH

1. Revise the work done so far.
2. Transcribe a page of cursive writing daily.
3. Library Research Activity:
'Reading is to mind what exercise is to the body.'
Choose any book of your choice. Write the summary of the book in your words in English (to be done in Eduedge n/b) and describe your favourite part of the book on an A-4 size sheet.

Suggested Reading:

- James and the Giant Peach by Roald Dahl

- The Blue Umbrella by Ruskin Bond

- The Magic Finger by Roald Dahl

4. Creative Corner-Imagine you get a chance to travel to Mars or Jupiter to meet some creatures there.
Write a conversation (100- 150 words) that you would have with a 'Martian' or a 'Jupitarian'. You could talk about your routine, eating habits and the climate on your planets.(to be done in Eduedge n/b)

5. Newspaper Activity- Paste pictures of five newspaper articles without the headline on an A3 size sheet. Give the headline on your own using your creativity.

6. My Vision- Take out a printout of the given poem. Read the poem and draw related pictures in the background using your imagination with pencil colours. Also, give a suitable title to the poem. Paste the sheet on an A4 size sheet.

I dream of sailing out to space,
Upon a yacht of stars,
With port holes all along the sides,
I'd gaze amazed at Mars.

With mast made strong with spider webs,
And sail of fluffy cloud,
I'd watch the Earth go sweeping past,
As out to space I ploughed.

With stars in front and stars behind,
And planets far and near,
I'd sail my yacht around the rings,
Of Saturn with a cheer!

And onwards passing Jupiter,
To watch the big, red storm.
Then far around its outer moons,
And through an asteroid storm!

I dream of sailing out to space,
To catch a star or two.
Exploring through the universe,
And taking in the view!
