## **Holidays Homework, Class I**

### **Session 2023 - 24**

Keep your child's brain active over break without them knowing they're doing "homework."

Summer vacation is every child's favourite time of the year as they can do all the things they enjoy during these days. Children get a chance to learn new hobbies and spend more time with their friends.

Embracing the cheerful news of summer break, to keep the students busy and channelise their energy in proper direction, assignments of all subjects have been designed for students. Facilitate your ward to attempt the assignments creatively and independently as it will help them to elevate their skills and spend their vacation ingeniously. Let your children explore the world through their favourite books/stories/novels and share them with their siblings /parents /grandparents. Students must visit various places and explore the exquisite world around them.

Enjoy your vacation !!!
