SR. SEC NEWSLETTER APRIL-MAY 2023 EDITION

Editorial Insight

Dear Readers,

Welcome to another exciting edition of our school newsletter! As the editors, we are thrilled to present you with a collection of informative and captivating articles that reflect the vibrant spirit of our school community.

In this edition, we have curated a diverse range of content to cater to the interests and needs of our readers. Our dedicated team of content designers and contributors have worked tirelessly to bring you engaging stories, insightful pictures, and important updates.

We kick off this issue with an inspiring feature of the class 12th AISSCE exam result. Furthermore, we are pleased to showcase a column dedicated to student achievements. Celebrate the accomplishments of your peers, from academic honors and sports victories to artistic triumphs and community involvement and various mentions in the news . We are proud to have such talented and well-rounded individuals within our school community.

Then we have numerous orientation programmes and a career fair organised to further open the possibilities of the 11th and 12th graders. Next few pages give us a sneak peak of the recreational trip for the senior secondary students to Chail-Shimla-Kufri. Followed by a mention of several workshops and training programmes conducted and attended by our teachers.

As always, we value your feedback and encourage you to share your thoughts, suggestions, or contributions for future editions. Together, let's continue to make our school newsletter a platform that informs, inspires, and connects us all.

Wishing you an enjoyable read!

Best regards,

Editorial Team

"From the Desk of the Principal"

Dear Students and Parents,

Hope this message finds you in good health and high spirits. It gives me immense pleasure to address you all through our April-May newsletter for the Senior Secondary Department of NKBPS Rohini School.

First and foremost, I would like to extend my heartfelt congratulations to all our Class XII students for their remarkable performance in the AISSCE Class XII Board Examinations. Your dedication, hard work, and perseverance have borne fruit, and I am proud to announce that our students have achieved outstanding results. Your achievements are a testament to your commitment and the guidance of our dedicated faculty.

We have also conducted orientation programmes for our Class XI students, ensuring a smooth transition as they enter the senior secondary stage of their academic journey. Exciting school excursions were also organized for holistic development.

Continuing with our commitment to excellence, we have organized continuous professional development programmes for our teachers. These programmes empower our educators with the latest teaching methodologies and equip them to provide the best learning experience for our students.

As we move forward, I encourage all students to set new goals, embrace challenges, and strive for excellence.

Warm Regards
Prashant Parashar. B

IT'S ALL RIGHT

When I think about that again,
To remember how it all began,
Somewhat like a breeze,
Enough for it to further freeze.

Somehow it all went to the
opposite extent,
Things thought about the future,
Are now completely transparent.
Little did I know how
silly it would end,
The good thing is that,
Now, it can't make my heart pretend.

Simple things can't make me fall,
Simple things can't make me Bend,
It is just a life phase,
It can't make me horrid...

It is not the end of the world,
It might hurt at first,
But trust me...:
It is not the worst, I know that you
can do it!
I know what you did is right!
Now just get up, get ahead...
And make your own life R-I-G-H-T.

THE UNFORGETTABLE

The one I would never forget!
Who made me interested
in a subject, —
No one could ever have!

She makes me laugh,
She makes me smile!
No matter how I felt before,
She just makes my day bright.

Honestly, the best teacher
I ever had,
Who made me smile at the times
I cried,
With just a High-five.

Somehow, she is always there,
Somehow, she always under-
stands.

No, she is not like any
other teachers,
She is special, tranquil and rare.

I could never stop telling how
great she is,
I would never stop telling how ex-
ceptional she is.
Don't you dare say anything
against her,
That is, if you don't want
any quarrel.

How come she gets to know
everything?
I wish I had that power...

But the time has passed so quickly
I sit and realise and wretch!
It makes me sad even to consider.
In the next few months,
She won't be there.

She won't teach me anymore,
Or joke or comfort me when
I am sad...

And that's the only part that
makes me deject.

But as she says, "enjoy the moment
rather than crying about the past
and panicking about the future..."

I would love to thank her for be-
lieving in me,
Joking with me and going on the
trip with me.

But most of all,
Treating and guiding me
like a mother.
I will never ever forget her!!!

ORIENTATION PROGRAMME

FOR PARENTS OF INCOMING CLASS XI STUDENTS

The school organized an Orientation Programme for parents of Class 11 students on Saturday, 15 April 2023. The Headmistress Ms. Jyotsana Sharma and the Incharge of the senior secondary department Ms. Neelam Chawla were present to welcome parents. The session was kickstarted by the Headmistress wherein she put forth her perspective about counseling sessions. Academic and Personal development, Career guidance etc. were discussed upon by the school counselor Ms. Mehul Dudeja and career counselor, Ms. Neha Wahi. The session provided valuable information and guidance to the parents, empowering them to assist their children in choosing a career path that aligns with their passions, interests, and abilities.

ORIENTATION PROGRAMME

FOR INCOMING CLASS XI STUDENTS

An orientation programme was conducted for class XI students on 18th April, 2023 in the multipurpose hall by the faculty members of Esteemed institute to create awareness on the never ending opportunities in the world and to explore them with the systematic learning process. It started with the welcome note by the school Principal Mr. Prashant Parashar.B where he encouraged and motivated students to have confidence and exhibit perseverance once they opt for a career. Further in the session, Dr Pulkit Khurana and Mr Ashwini Kumar Sinha from Esteemed institute briefed students about the educational opportunities associated with different subjects along with the scope and career opportunities. The chief motive of the programme was to provide information and resources to the children for opting a career choice. Apart from this, it was also an initiative to create a welcoming environment that builds a sense of community among the incoming class and connect them to the faculty and other students.

ORIENTATION PROGRAMME

FOR INCOMING CLASS XI STUDENTS

An orientation programme was conducted for class XI students on 19th April, 2023 in the multipurpose hall by the faculty members of Esteemed Institute to create awareness on the never ending opportunities in the education sector and to explore them with the systematic learning process. The reason for the program was to familiarize the students with the courses and subjects of study alongside the educational plan related with Science, Commerce and Humanities stream.

Further in the session, Mr. Mohit Singhal and his team from Takshila Institute briefed students about the educational opportunities associated with different subjects along with the scope and career opportunities. Providing information that will allow students to make informed and appropriate academic plans and healthy social choices was the chief motive of the programme.

The senior secondary incharge Ms. Neelam Chawla delivered the vote of thanks and wished students a good luck for all the future endeavours.

CAREER FAIR

FOR INCOMING CLASS XI & XII STUDENTS

A career fair for class 11-12 was held in multipurpose hall on Wednesday 3rd may. Various universities like SRM, pearl academy, GD Goenka, BML guided children about the courses in their universities. Clouded brains of youngsters gained some clarity. It was an excellent opportunity for individuals to learn about different career paths and to gain insight into courses that they may be interested in working for.

TRIP TO CHAIL-KUFRI-SHIMLA

The trip to Chail, Kufri, and Shimla was an absolute delight. From the picturesque landscapes to the welcoming locals, every moment was filled with joy and wonder. Exploring the charming town of Chail, with its lush greenery and serene atmosphere, was a soothing experience. Kufri's thrilling adventure activities left us exhilarated and longing for more.

And in Shimla, the colonial architecture and bustling markets created a perfect blend of tradition and modernity. The trip surpassed our expectations, leaving us with beautiful memories and a deep appreciation for the natural beauty and warm hospitality of the region.

The trip offered a delightful experience but also proved to be highly educational. Immersing in the local heritage and engaging with the knowledgeable locals made this trip an enriching experience that expanded our horizons and deepened our understanding of the world around us.
