ADDRESS

"Nurturing Young Minds: The Power of Primary Education"

Dear Readers

Warm greetings to all !

Through this latest edition of newsletter, I am excited to share with you the boundless enthusiasm and potential that fills our classrooms every day. Primary education is the foundation upon which a lifetime of learning is built. It is where the first seeds of curiosity are sown, and the roots of knowledge take hold.

At N.K.B.P.S. ,we believe that every child is a unique and budding genius. As we move forward, let's continue to inspire our young learners to dream big, set goals, and work diligently to achieve them. Let's instill in them the belief that they can make a difference in the world. Let's remind them that every challenge they face is an opportunity to grow stronger and wiser.

Together, we are sowing the seeds of a brighter future, one that is filled with promise and potential.

Warm regards

ORIENTATION

PROGRAMME

Classes I and II

July 10, 2023

An online orientation program was conducted on Google Meet for the parents of Classes I and II. The agenda of this program was to make the parents aware of the implementations of NEP 2020 and reformation in the assessment policy. The program also threw light on school's educational policies and introduction of Holistic Progress Card (HPC) in the curriculum. At the end, a Query session was taken by the incharge of the Primary Department, Ms Binny Gupta and Principal Sir in which parent's doubts related to the new assessment pattern were resolved.

ORIENTATION PROGRAMME

Classes I and II

26th August, 2023

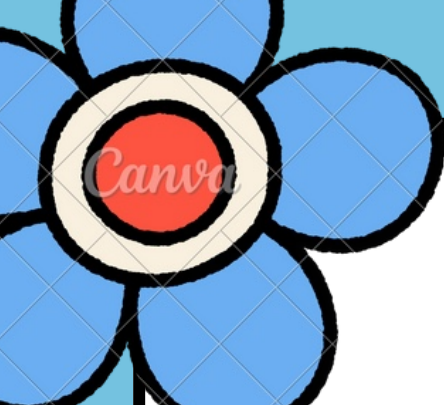

"New beginnings start with orientation, where paths are unveiled and horizons expand."

N.K. Bagrodia Public School, Rohini, hosted an orientation program on August 26, 2023, to apprise the parents about the Holistic Progress Card (HPC) for the students of Classes 1 and 2. The event aimed to acquaint parents with the HPC, offering insights into its various parameters. Parents gained an understanding of how the HPC contributes to a comprehensive 360-degree progress gauging of their child. This innovative approach shifts from mere rote memorization to engaging hands-on activities, enabling timely and well-rounded student evaluation. As a result, this novel report card becomes a catalyst for nurturing students' cognitive, psychomotor, and affective domains.

STAFF DEVELOPMENT PROGRAMME

**Capacity Building Programme
Classroom Management
Attended by : Ms.Leena Dua
Date : 17.08.23 and 18.08.23**

Classroom management is not about having the right rules, it is about having the right relationships.

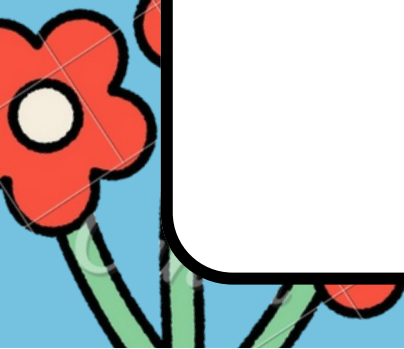

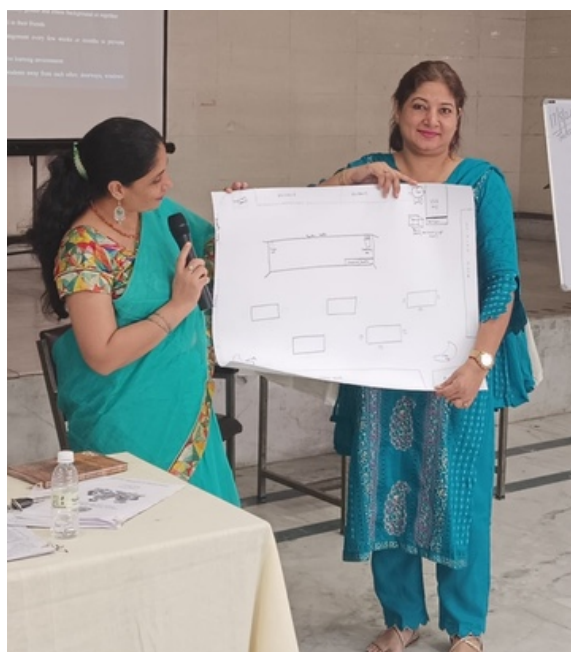

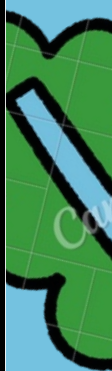

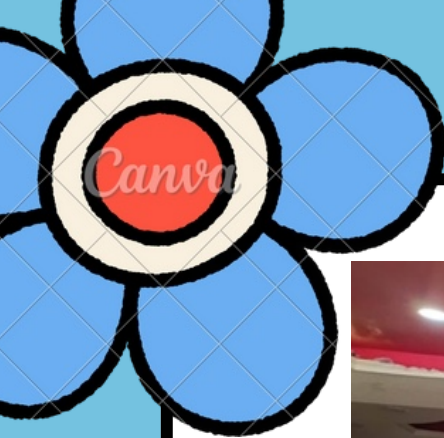

To make classroom more interactive, CBSE organized a workshop on Capacity Building Programme on Classroom Management at SD Girls Senior Secondary School on 17th and 18th August 2023. The workshop was attended by teachers hailing from various CBSE schools of Delhi. The workshop focused on the key concern of classroom management with the rise of effective teaching strategies. The resource persons Dr.

Meenakshi Gupta (Principal of SSD Public School) and Mrs Rajni Kashyap (Principal of DAV Public School, Model Town) discussed and shared the best methods adopted for classroom management and how the best potential of students could be extracted by giving them congenial and friendly environment.

The workshop addressed questions giving teachers various practical eye opening strategies they can use for managing students' physical and behaviour patterns. They also explained the latest strategies to manage the classroom environment effectively. Through discussion, it was established that with changing times, the challenges faced by teachers in the classroom have also changed and the need to develop and implement rules and procedures to tackle the same is of utmost importance. The resource person emphasized that the quality of teacher-student relationship is the keystone for all other aspects of classroom management. Various activity sessions were also discussed.

The resource person also discussed the various components of classroom management, consequences and rewards.

Overall, the workshop was quite advantageous for teachers and will surely act as a tool to manage our classrooms more effectively in a more disciplined way to provide more enriching and better results.

A session on 'Rights of Persons with disabilities' was conducted for the teachers on September 23 in the school's multi -purpose Hall. The main objective of conducting the session was to apprise the staff members about the different laws and provisions for the person with disability , and protecting and promoting the rights and dignity in every aspect of their lives. The session was concluded by paying homage to the Indian sign language.

CPD on Holistic Progress Card (as per NEP 2020) and Metacognition

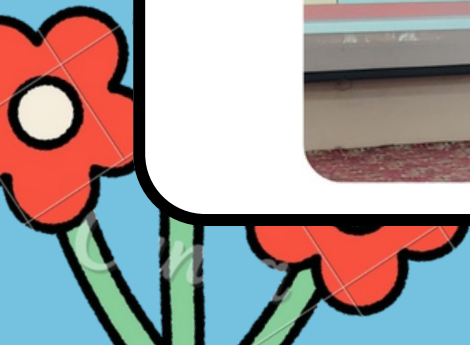

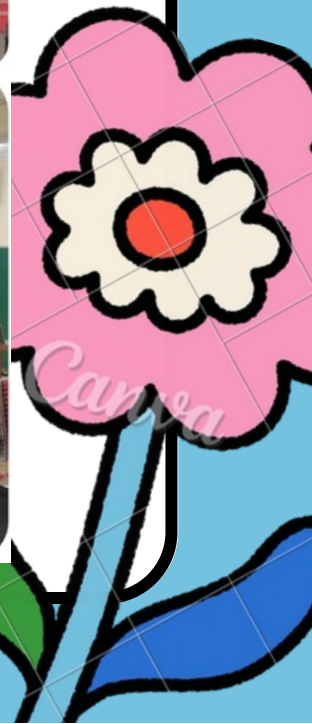

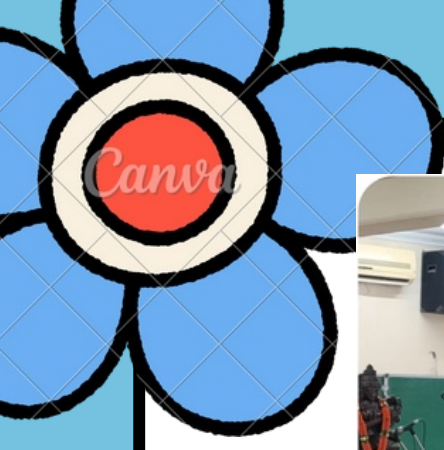

Date - 30 September

Venue - Bal Bharti Public School Rohini

"The key to success is Dedication to Life- Long Learning."

The workshop featured renowned education experts and experinced educators Ms.Alka Sahani and Ms. Aditi Roy who shared their knowledge and insights on Holistic Progress Card and Metacognition. Participants were introduced to the concept of the Holistic Progress Card, a tool designed to assess students' progress comprehensively, taking into account not just academic achievements but also their personal and social development. Ms. Alka Sahani gave an overview of metacognition, emphasizing its role in self-awareness, self-regulation, and lifelong learning. Participants gained a clear understanding of why metacognition is a valuable skill in the 21st century.

The program included interactive sessions where teachers had the opportunity to exchange ideas, discuss challenges, and reflect on learning and teaching. It was a successful event aimed at promoting continuous professional development for teachers. It provided educators with valuable tools, strategies, pedagogies and AI tools to create a more holistic and effective learning environment for their students.

The Workshop on the topic - Body Shaming , held on 01.09.23, aimed to address the critical issue of Body Shaming and promote Body Positivity. The primary goal of the workshop was to educate participants about the prevalence and consequences of body shaming in society. The workshop provided a safe and supportive environment for participants to learn, share, and grow. The workshop played a valuable role in fostering understanding and support for those affected by body shaming, promoting a culture of body positivity.

Overall, it was an enriching experience and a great learning day.

EDUCATIONAL VISITS

**Visit to Bank
Classes IV and V
19th and 20th July'2023**

“A healthy banking system is one of the vital parts of a nation’s foundation.”

-Hendrith Smith

Students of classes IV and V embarked on a visit to the Punjab National Bank as part of their educational excursion.

The aim of the visit was to introduce the students to the banking system, enhance their financial literacy, and provide them with practical insights into various banking operations. The bank kindly hosted the students and assigned a team of bank personnel to guide and educate them during their visit.

Students’ interaction with the bank manager was quite enriching and will certainly foster a responsible financial behaviour. They discussed about the role of banks in the development of an economy and also the procedure to open an account with the bank. The young enthusiasts were thereby equipped with the basic financial knowledge and the functioning of a bank.

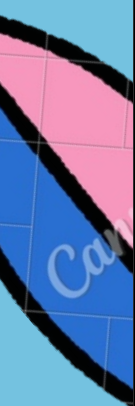

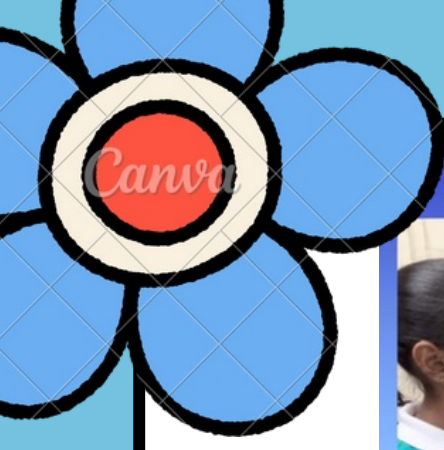

The students expressed gratitude to the bank manager and the staff members for their guidance and hospitality, acknowledging the importance of such practical experiences in shaping their financial future.

CHARITY VISIT

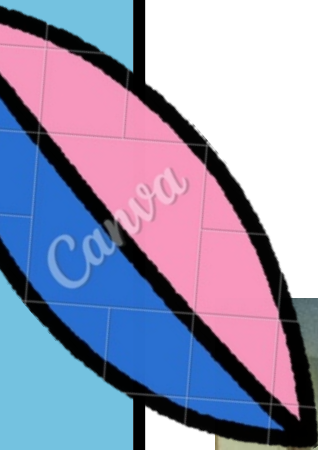

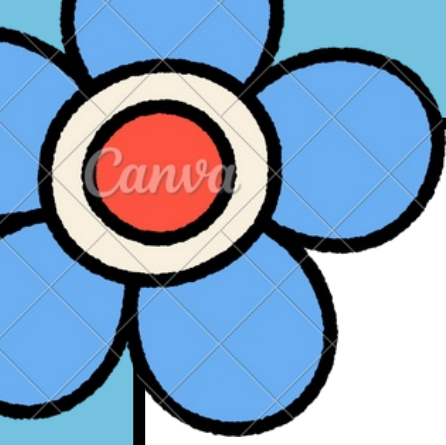

**REPORT ON
VISIT TO NGO 'SAMPOORNA'
DATE : 28.07.23**

"The simplest acts of kindness are far more powerful than a thousand heads bowing in prayer."

A group of 48 students of class IV along with Ms. Jenis Jethi and Ms. Reenu Nagpal visited the NGO 'SAMPOORNA' on 28 July 2023. It is an NGO with a vision to provide under privileged people with a learning opportunities and vocational training to provide them with skills in a caring, loving and dignified environment. It provides holistic support to women and children and encourages women to be self confident, self sufficient and self reliant. It also promotes gender equality, inclusive education and stable livelihood opportunities for all.

The visit created awareness among students regarding the lifestyle of under privileged and also gave them an insight to acknowledge their good fortune and create a sense of responsibility towards the less fortunate which is the need of the hour for country's development. It was overwhelming to see the creativity of students and their interest for learning. The visit was a great learning experience. In spite of facing so many hardships and challenges, children were keen to learn . It was a pleasure seeing how they were eager to overcome the challenges and make something of their life.

India's Third Lunar Mission

CHANDRAYAAN 3

17 July 2023

Classes I - V

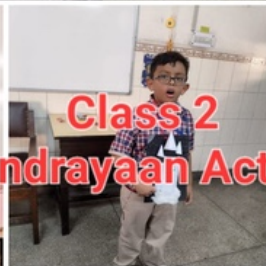

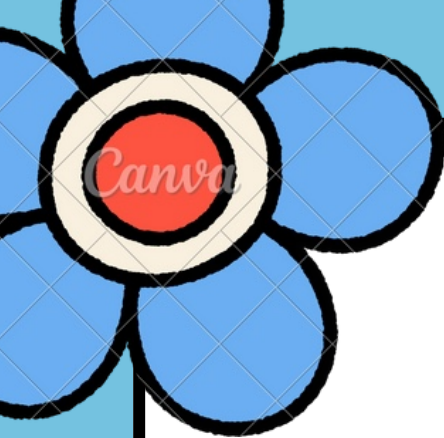

Chandrayaan-3 is the third lunar mission undertaken by the Indian Space Research Organisation (ISRO).

The Chandrayaan-3 mission is a significant step forward for India's space program. It builds upon the lessons learned from its predecessors and incorporates improvements to ensure a successful lunar landing. The primary objective of the mission is to deploy a lander and a rover on the lunar surface to conduct scientific experiments and gather valuable data.

The successful completion of Chandrayaan-3 will not only contribute to the scientific community's knowledge of the Moon but also strengthen India's position as a prominent player in space exploration. It demonstrates the country's commitment to pushing the boundaries of space research and technology.

To celebrate the success of India and educate the students for the same, the primary department of N.K. Bagrodia Public School conducted age appropriate activities in the school. The students were shown videos explaining the concept of space along with the launch of Chandrayaan 3. The students performed craft and speaking activities and shared their knowledge with others.

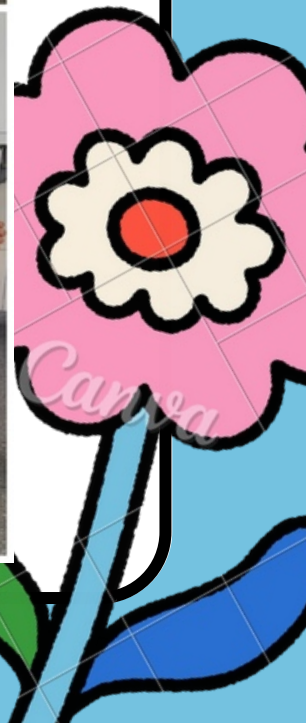

It was an informative and a fun filled day.

Nelson Mandela International Day

July 18

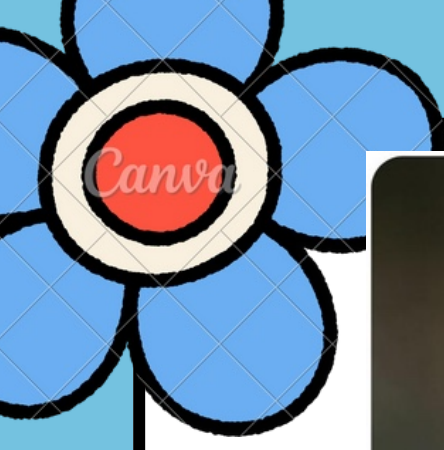

Primary Department

"The greatest glory in living is not in never falling but in rising every time we fall."

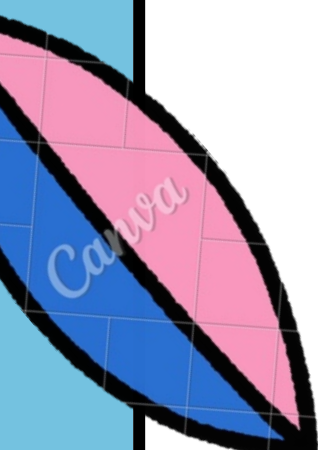

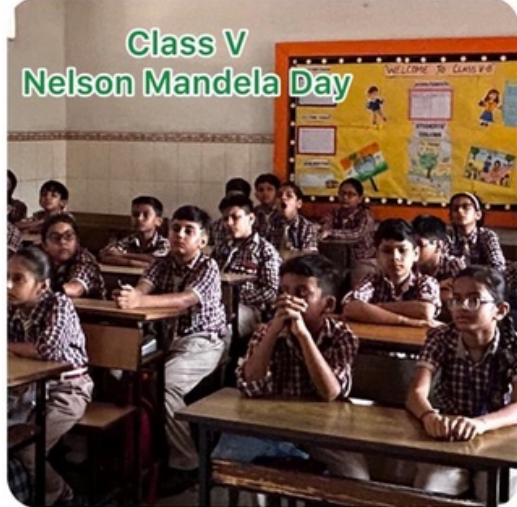

- Nelson Mandela

Nelson Mandela International Day is celebrated on 18 July every year in honour of the first democratically elected President of South Africa, the late Nelson Rolihlahla Mandela. This day celebrates the idea that each individual has the power to transform the world and the ability to make an impact. To commemorate this day various activities were conducted in the primary department.

Informative and educational videos on the life of Nelson Mandela were shown to the students. His famous sayings were discussed. Slogan writing was taken up. Students also prepared the life sketch of Nelson Mandela through a mind map. A speaking skill activity was also conducted in the classes wherein the students shared a few facts about Nelson Mandela and his contributions in the field of justice. These activities made the students aware of the work done by him. As Nelson Mandela has rightly said, "It's in your hands to make a difference." The students of Grade 5 contributed their efforts by helping in the school gardening work.

Packing School Bag

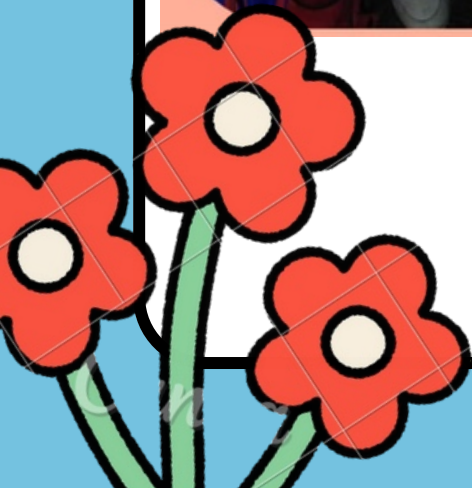

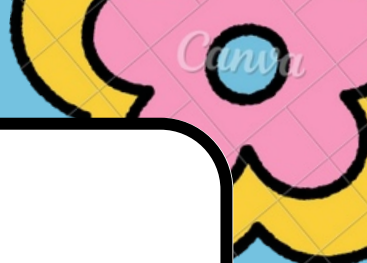

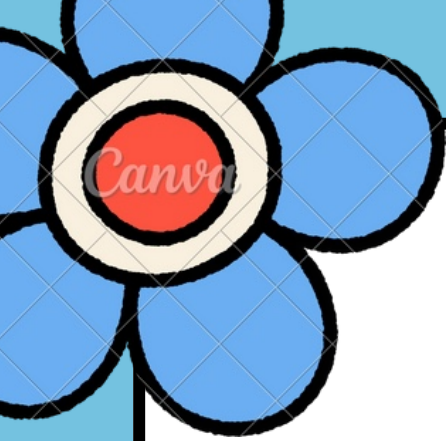

Class 1

July 19, 2023

" Since we have grown up, I realised the lightest burden we carried were our school bags."

As an adult, we often pack our children's school bag to make sure that our child does not leave anything out. But by doing so, we actually make them dependent on us.

Packing school bag is considered one of the most essential life skill to help the children in getting ready to school. An activity for the same was conducted for the tiny tots of Class I. Firstly, the teacher gave a quick demonstration of how to pack a school bag. They were introduced to different spaces in the bag and taught to arrange their books, notebooks, lunch box, pencil box and water bottle accordingly. They were also guided to arrange the study material according to the given time table. They were motivated to set their school bag independently in future. It helped them to improve their organizational skills, fine motor skills and presentation skills. It not only made them self reliant but also responsible for their own things. It also inculcated a sense of self awarenesss among them. The students participated enthusiastically and promised to pack their school bag themselves daily.

Exploring Animal Habitats

Class IV

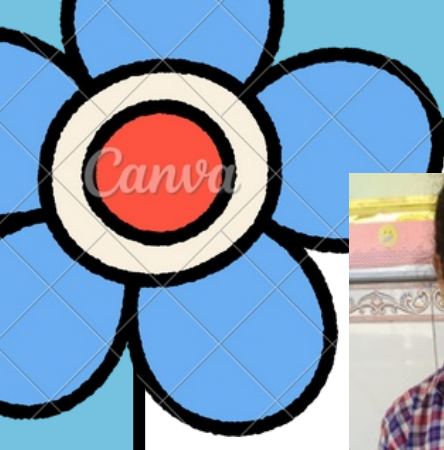

Date : 04.09.23

"We don't own the planet Earth, we belong to it. And we must share it with our wildlife."

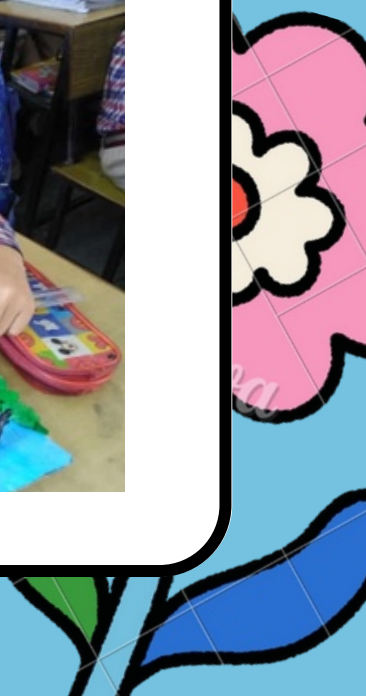

The students of grade 4 were immersed in an engaging activity wherein they had to design an 'Animal habitat'. They learnt that a habitat is the natural environment where an animal lives and thrives. The students researched the unique characteristics of habitats such as Terrestrial, Aerial, Aquatic, Arboreal and more. Each student chose an animal to study deeply and understood how it adapts to its specific habitat and designed its beautiful habitat.

The level of their creativity on display was truly impressive! It was wonderful to see their enthusiasm and efforts. The activity helped to develop a deeper connection to the natural world around them. They now understand the importance of preserving these diverse habitats and the incredible creatures that call them home.

TOPIC- Gram Panchayat (Sarpanch Elections)

'Democracy is based upon the conviction that there are extraordinary possibilities in ordinary people.'

Election is a process of voting wherein the general public decides who all should comprise the governing body. The system of giving this right to all the adult population (18 years and above) of a country is the very base of a living democratic nation. As they say, in democracy, the government is of the people and for the people.

To make the students aware about the concept of Gram Panchayat elections,an activity was conducted in class - IV on 21.07.23. Wherein the class was turned into a polling station and the students being the residents of that village, casted their votes to choose their Sarpanch. As per the procedure,the counting of votes was also done and the winning candidate presented his speech. Being elected as a sarpanch he ensured the villagers to serve them to the best of his abilities. The students thoroughly enjoyed the activity and participated zestfully.

May the spirit of freedom and democracy live forever in our hearts.

A bagless day was celebrated on 14.08.23. It was a delightful and patriotic event. The aim was to engage Class IV students in various activities that instill a sense of national pride and promote creativity while commemorating the historic significance of India's freedom struggle.

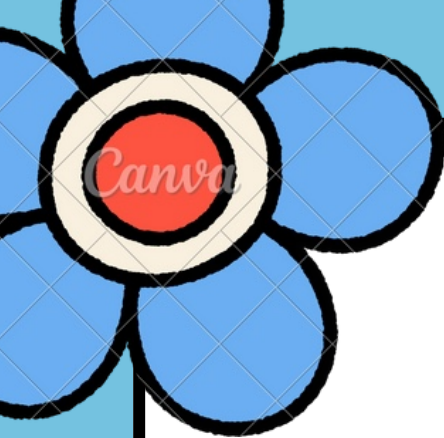

The day began with an exciting tricolour sandwich making activity.

The students showcased their culinary skills by assembling sandwiches using green chutney, white cheese, and orange bell peppers. The vibrant tricolour sandwiches symbolized the national flag and added to the patriotic ambience.

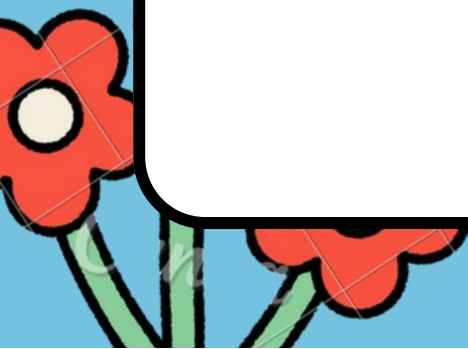

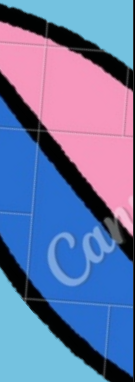

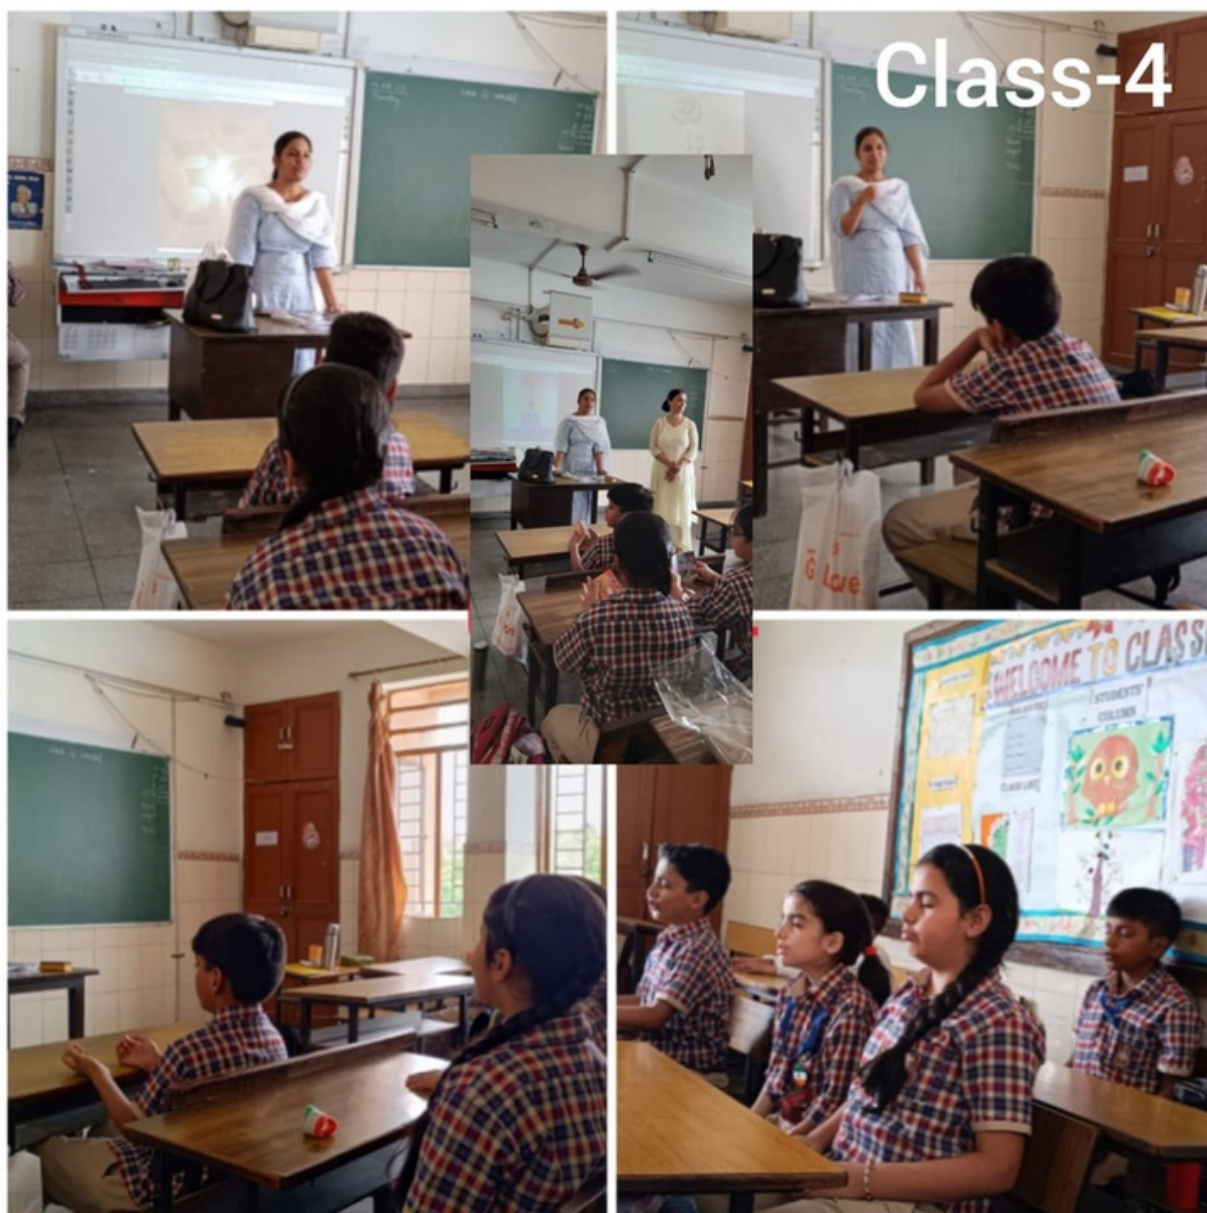

In the next segment, the students expressed their love for the country through heartfelt patriotic poems. The recitations were filled with passion and admiration for the nation's rich heritage and the sacrifices made by freedom fighters.

Following the poetic recitals, a special movie screening highlighted the remarkable journey of India's struggle for independence. The movie provided a historical perspective, inspiring the students with stories of courage, resilience, and unity.

A soothing meditation session was included in the 'Parent as a Partner' program. This session provided students with an opportunity to engage in mindfulness and relaxation, fostering a stronger connection with children and promoting holistic well-being.

English Week Activities

CLASS III

Date: 21.08.23 to 25.08.23

"To learn a language is to have one more window from which to look at the world."

In order to celebrate 'English Week', a five day event full of interesting and amazing activities was organised by the Primary Department. Students of Class 3 participated in different activities such as

Day 1: READATHON

The students were given Amar Chitra Katha books for reading and the best readers were awarded with the badges.

Day 2: STORY TELLING

The students narrated their favourite stories with the help of props.

Day 3: BOOK MARK MAKING

The students creatively designed bookmarks of various shapes and sizes.

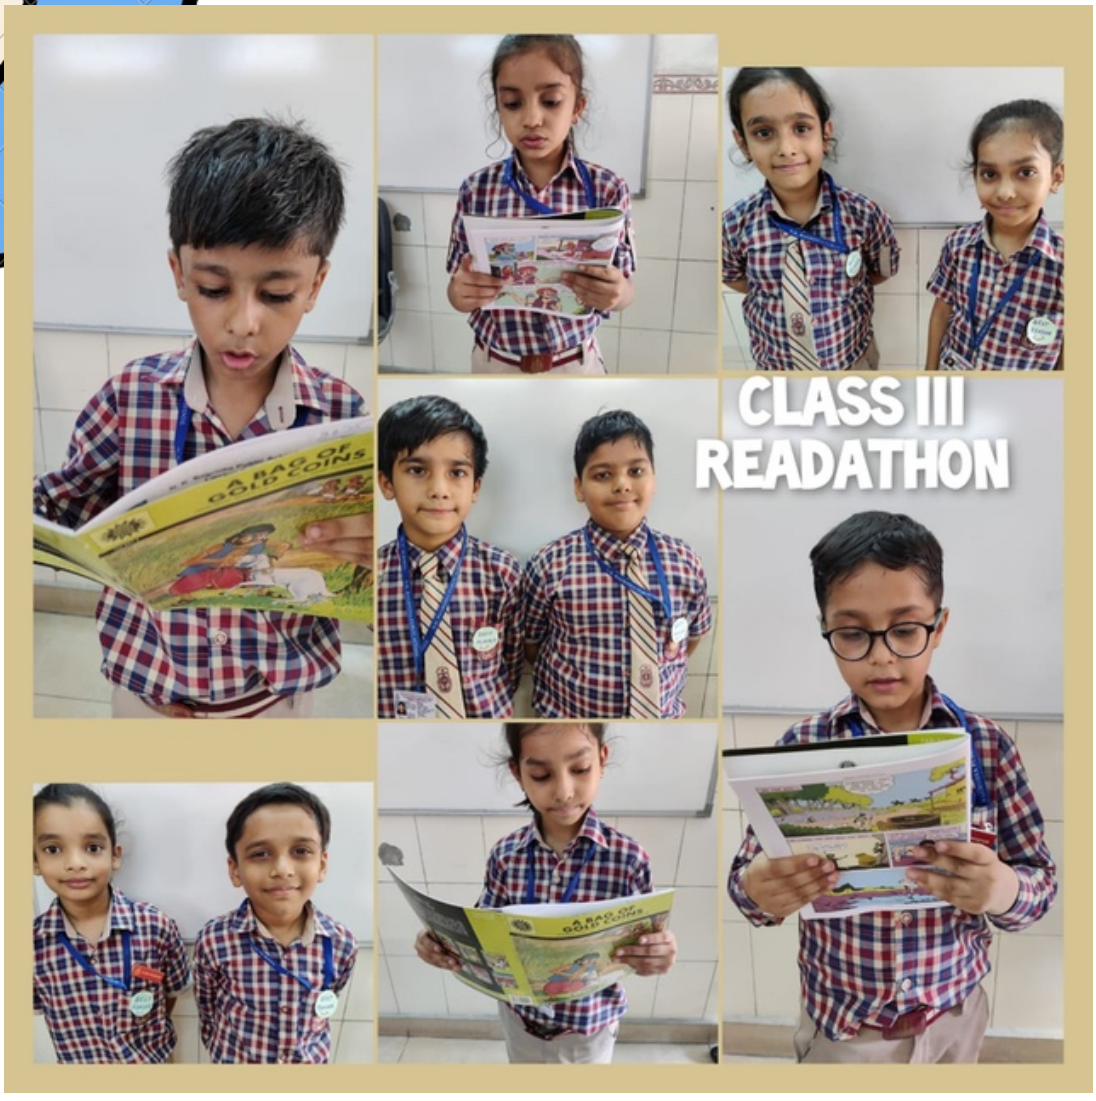

Day 4: SPELL BEE

The students were given worksheets related to spellings along with some clues. It was indeed a brain storming activity.

Day 5: NEWSPAPER ACTIVITY

The students were asked to bring the printout of a newspaper article. They had to scratch their brains and find out six differences between the given pictures.

The students thoroughly enjoyed this fun way of learning English.

“ Learning another language is not only learning different words for the same things, but learning another way to think about the things.”

-Flora Lewis

English Week is an annual event celebrated at N.K. Bagrodia Public School with the aim of promoting and enhancing students' proficiency in English language. This event provides a platform to the students to engage in various activities that foster a deeper understanding and appreciation of the English language. Events for each day were planned thoughtfully and were well-executed. The students were successfully engaged in the following activities:

Day 1 : Readathon Contest

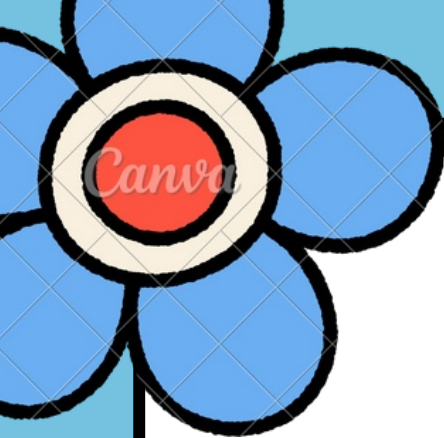

Day 2 : Story Weaving

Day 3 : Character Silhouette Competition and Book Jacket Making Activity

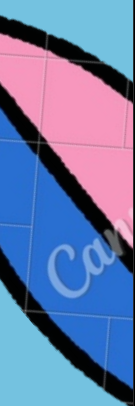

Day 4 : Spelling Sleuth

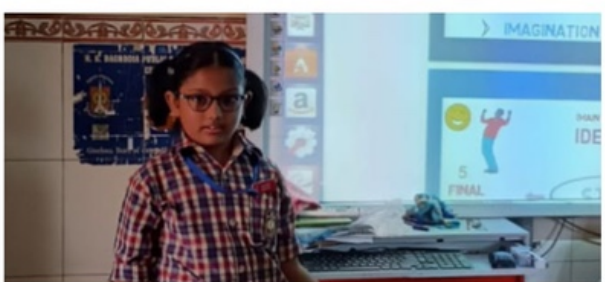

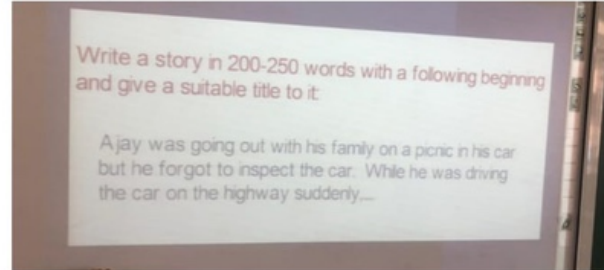

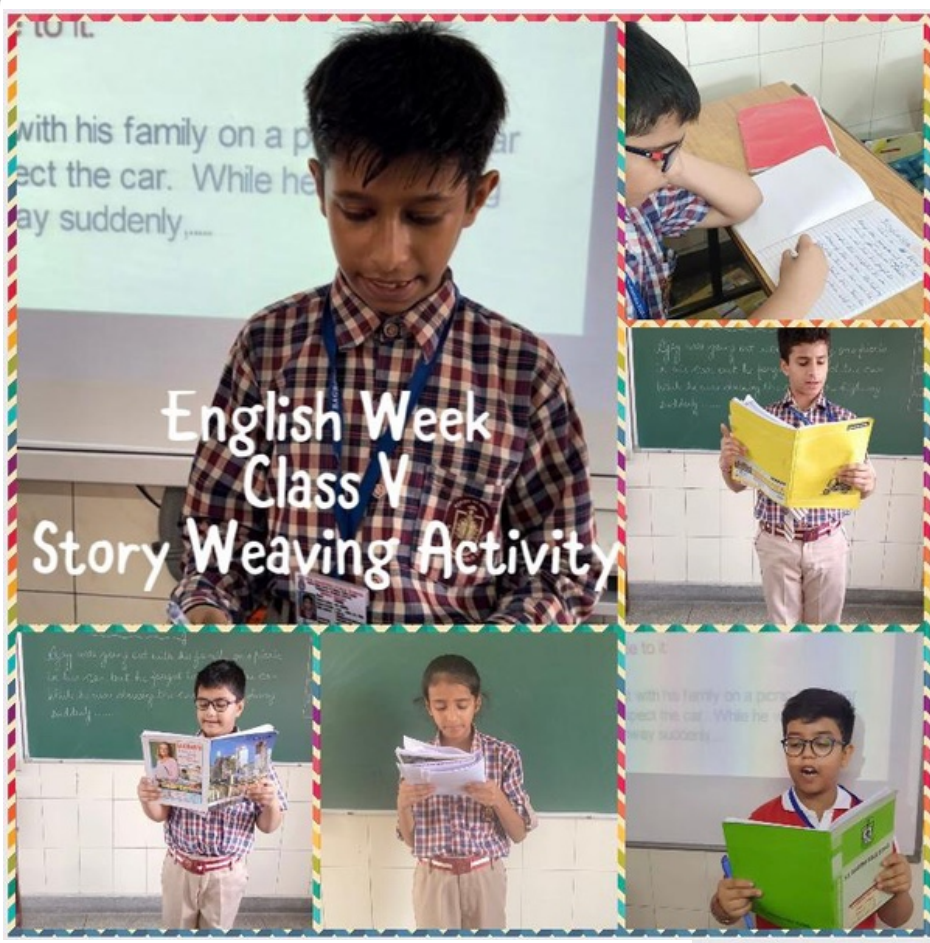

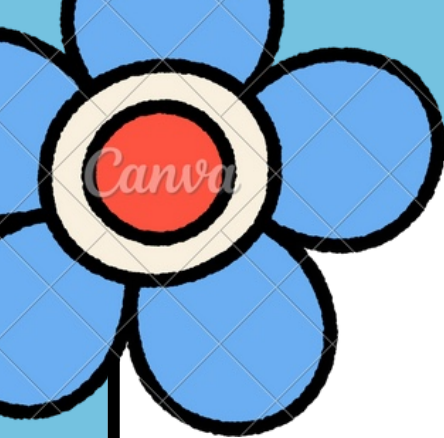

Day 5 : Newspaper cum Thesaurus Activity

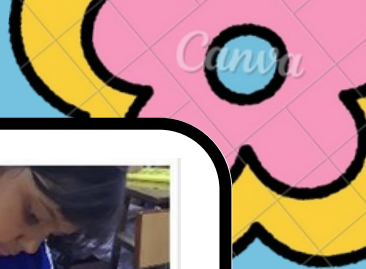

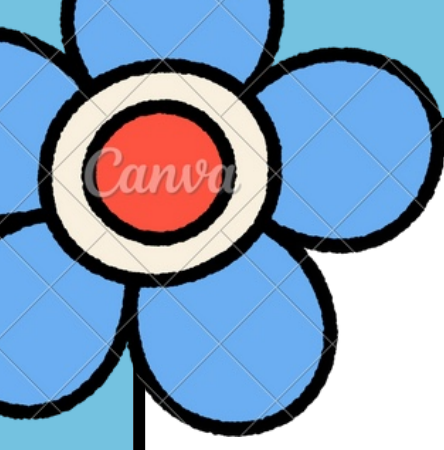

Through a blend of educational and entertaining activities, such an environment was created where students were motivated to enhance their linguistic skills, discover the beauty of literature and cultivate a lifelong love for reading and writing in English.

CHILD-CENTERED TEACHING

English- Grammar (Nouns)

Class I

August 3, 2023

"The duties of a teacher are neither few nor too small, they elevate the mind, give energy to the character."

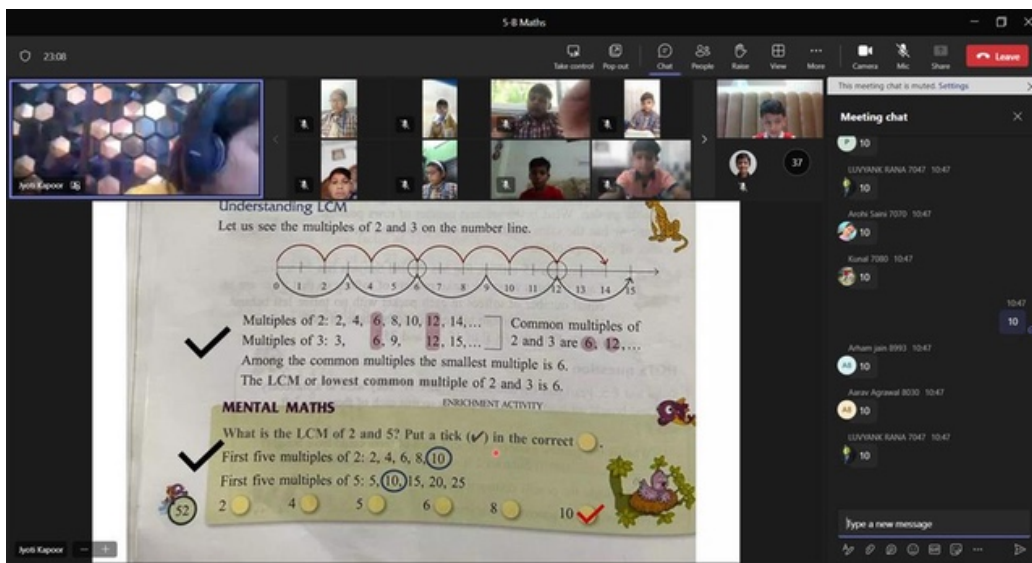

The topic 'Nouns' was revised in the class in a play-way method. The definition was read by the teacher. The students were really excited to see the "Jadoo ka Pitara". Different objects were shown to the kids and they were able to guess out whether it was a person, place, thing or animal. The students then watched a video related to the topic with interest. They participated in the activity of segregating different objects after reading. They also recited a poem on nouns. Students also took part in an interdisciplinary activity involving sketching and shading of various noun words used by the teacher.

COUNTRY PROJECT

NIPPONBUNKA

Class I

August 25, 2023

"Japanese culture is one of the unique cultures that shares its close association with nature."

N.K Bagrodia Public School celebrated the rich, diverse culture and tradition of the unique country - Japan. The country is often called "Land of the rising sun." This developed country is known for everything from onset hot springs and kabuki baths to delicious food and architecture of its buildings. Class I students got the opportunity to display Japan as a country project and explore its different, beautiful aspects. The programme started with welcoming the dignitaries and parents of Class 1. It was followed by the ribbon cutting ceremony and lighting of the lamp. The dignitaries, parents and teachers sought blessings of Late Sri N.K. Bagrodia and Late Smt Pushpa Devi Bagrodia. The dignitaries and parents were taken on a tour of Japan by our little tourist guides. They showed them various captivating exhibits of kimono dolls, kokeshi dolls, koinobori fishes, Japanese houses, Japanese temples, Bonsai plant, cherry blossom trees and delectable Japanese food. They told them about the unique features of kimono dolls, Japanese temples, Japanese houses, religion of Japan etc. They also offered them Japanese fans and kasa caps. The dignitaries were awestruck to see the knowledge of the tiny tots. After the tour, the students sang a melodious Japanese song which was followed by a Japanese dance performance. They were appreciated to showcase such a distinctive Japanese dance. The students got stage exposure and earned confidence. Principal Sir enlightened us with his words of wisdom and appreciated the efforts of the students and teachers to make this programme a huge success. Vote of thanks was given by Primary Incharge Ms.Binny Gupta. The dignitaries and parents wrote kind words for the participants.
