FROM THE PRINCIPAL'S DESK

As we embark on another remarkable chapter in our school year, I'm filled with immense pride and heartfelt gratitude for the numerous accomplishments and milestones our students and staff have achieved together. This edition of our school newsletter stands as a tribute to the spirit of learning, creativity, perseverance, and community that defines NKBPS Rohini.

Our students continue to inspire us with their diverse talents—ranging from academic excellence and artistic brilliance to athletic triumphs and impactful community engagement. These achievements reflect not only their exceptional potential but also the nurturing environment that empowers them to flourish.

I extend my sincere appreciation to our devoted educators and staff for their steadfast dedication, to our families for their invaluable support, and most importantly, to our students for their unwavering enthusiasm, resilience, and diligence.

As you turn the pages of this newsletter, I hope you experience the same sense of pride and inspiration that I do. Let us continue to collaborate in fostering a school environment where every student feels valued, challenged, and empowered to achieve their fullest potential.

Warm regards,

Prashant Parashar B.

Principal, NKBPS Rohini

SPECIAL DAYS AND EVENTS

**TOGETHER FOR
OUR PLANET**

2025

APRIL 22

**EVERY SMALL ACTION
COUNTS! LET'S WORK
TOGETHER FOR A CLEANER,
GREENER FUTURE.**

EARTH DAY

WORLD EARTH DAY CLASS I

“Small hands can make a big difference when guided with love and purpose.”

Class I students celebrated World Earth Day with great enthusiasm. They took a pledge to protect the planet, enjoyed a nature walk, and participated in a special assembly. The activities helped spark curiosity and encouraged a love for nature, planting the seeds of responsibility early on.

Earth Day Class II

22.04.25

The Earth is what we all have in common.

Wendell Berry

The enthusiastic students of Class 2 came together to express their love and concern for our planet. The celebration began with the children reciting thoughtful slogans and poems, using colourful props that added charm to their performances. Their creativity continued to shine as they made beautiful drawings related to Earth Day and joyfully coloured them, showcasing themes like nature conservation, clean surroundings, and love for animals.

**Earth Day
Class III
22.04.25**

On April 22, 2025, Class III students celebrated World Earth Day with excitement, learning about environmental conservation and responsibility. Through a special talk and making Earth day BANNER, young learners developed appreciation for nature and a sense of duty to protect the Earth. This engaging experience fostered curiosity, awareness, and a commitment to being thoughtful citizens.

Earth Day
Class IV
22.04.25

“The Earth is our home, and we must protect it every day, not just on Earth Day,”

To mark Earth Day, Class 4 students participated in a hands-on craft session where they used waste materials to make beautiful Earth-themed art- inspiring and colourful Wall hangings. From colourful globes to handprint trees, the classroom was filled with vibrant and thoughtful creations. Students also discussed ways to protect nature and shared their own eco-friendly habits. The celebration was both fun and inspiring.

22.04.2025

Class V

Earth Day Activity

Planting a sapling

Green minds build a clean
Earth — think, act, and save!

Students of Class V put up planters to provide a green vista with breathtaking blooms of myriad colours. They learnt the values of protection of the environment, sustainable living practices, conservation of natural resources and providing for a greener future for the coming generations.

WORLD HEALTH DAY

Class - I

07.04.2025

Class 1 students celebrated World Health Day by learning about the importance of staying healthy. After watching a video and a short discussion, they enjoyed drawing and colouring pictures of healthy and junk food. Each child added the slogan, "Eat good, feel good!" to their artwork.

**World Art Day
Celebration
Class IV
April 15, 2025**

Class IV students celebrated World Art Day with creativity and enthusiasm. Inspired by Pablo Picasso's words, they made beautiful artworks using paper cups, plates, CDs, and ice-cream sticks. The celebration encouraged them to explore their artistic talents and appreciate the joy of creative expression.

**Dr. B. R. Ambedkar Commemoration
Day**

**Class V
15.04.25**

**" Sincerity is the sum of all moral
qualities."**

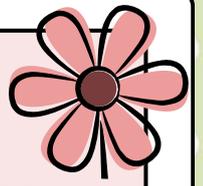

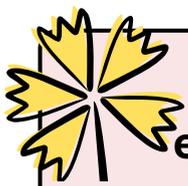

**Ambedkar Jayanti is celebrated in
India on April 14 to commemorate
the birth anniversary of Dr Bhimrao
Ambedkar, also known as Babasaheb
Ambedkar, who was an Indian jurist,
economist, social reformer and
politician and is best known as the
Chief architect of the Indian
Constitution.**

**A student of Class V portrayed Dr.
B.R. Ambedkar and shared his
remarkable life story, highlighting
his invaluable contributions that
have made our nation proud. The
activity helped the students
understand Dr. Ambedkar's
teachings and also know about his
stellar contribution in preparation of
the Indian Constitution.**

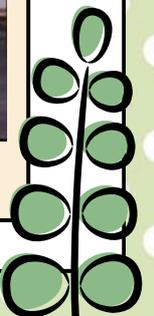

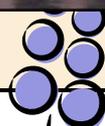

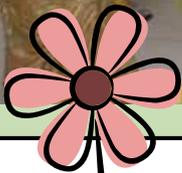

**MOTHER'S
DAY
MARVELS
CLASS 1
09-05-25**

Class 1 celebrated Mother's Day with love and enthusiasm. The event began with a lamp-lighting ceremony and a patriotic song by students. Principal Mr. Prashant Parashar and Headmistress Ms. Jyotsana Sharma addressed the audience. Children showcased their talents through songs, speeches, yoga, and dance. Fun activities like flameless cooking, a creative ramp walk, and games added excitement. The celebration ended with a heartfelt poem by the Principal and a vote of thanks by Ms. Binny Gupta.

LIFE SKILL ACTIVITIES

LIFESKILL ACTIVITY

"Life skills are the building blocks of confidence, discipline, and success—small lessons today, great achievements tomorrow!"

Class 1 students participated in a fun life skills activity on 03.04.25, learning to walk in a straight line through the school corridor. This simple activity taught them discipline and patience. Guided by their teachers, they practiced moving in a neat queue and following directions. Such activities build habits of order and cooperation from an early age.

Life Skill Activity
Class II
29.04.25

"Small habits build
big character."

The students of
Class 2
participated
enthusiastically in
a life skill activity,
learning to fold
their school
uniforms. They
were taught the
correct method for
folding trousers
and t-shirts,
promoting
discipline,
neatness, and
responsibility. By
the end of the
session, most
students
successfully folded
their uniforms.

Uniform**

Cleanliness Drive
Class III
April 11, 2025

A cleanliness drive was organized to promote cleanliness and hygiene among students. The activity comprised an awareness campaign and a thorough cleaning of classrooms and premises.

Class 3
Cleanliness Drive

Lifeskill activity

Cleanliness Drive

Students participated enthusiastically, gaining valuable insights into the importance of cleanliness and developing life skills like sense of responsibility and teamwork.

Notebook Covering

CLASS IV STUDENTS ENTHUSIASTICALLY LEARNED TO COVER NOTEBOOKS USING OLD NEWSPAPERS. THE ACTIVITY PROMOTED DISCIPLINE, NEATNESS, AND RESPONSIBILITY, WITH STUDENTS SHOWING FOCUS AND CARE WHILE MASTERING THIS USEFUL LIFE SKILL.

Class 5 Print and Present

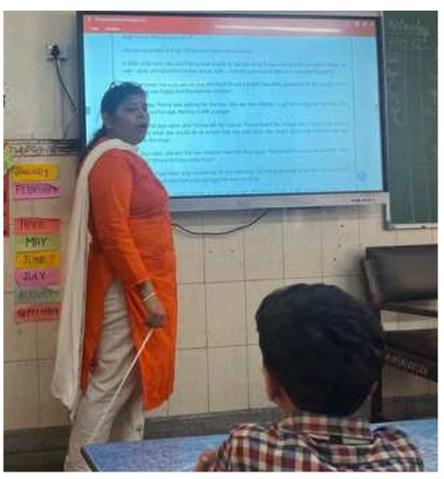

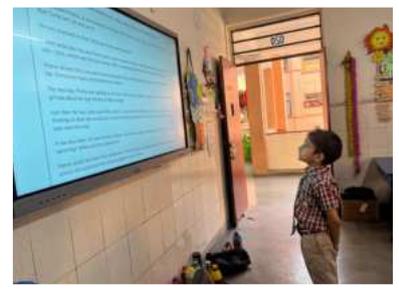

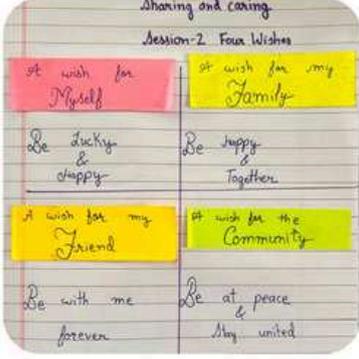

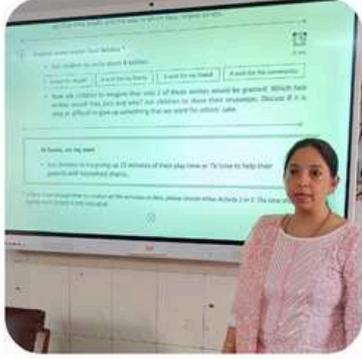

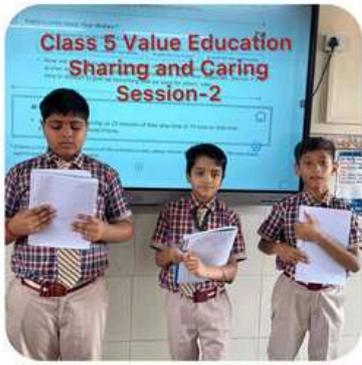

Students of Class 5 participated in the 'Print and Present' activity, exploring various printing techniques using leaves, vegetables, and everyday objects. They were guided how to use those beautiful handmade sheets to make items like paper bags, folders, and greeting cards.

This activity developed students' creativity, fine motor skills, and problem-solving abilities. It also promoted sustainability and environmental awareness through reuse and recycling. Students felt proud of their creations, boosting their confidence and self-esteem.

VALUE EDUCATION

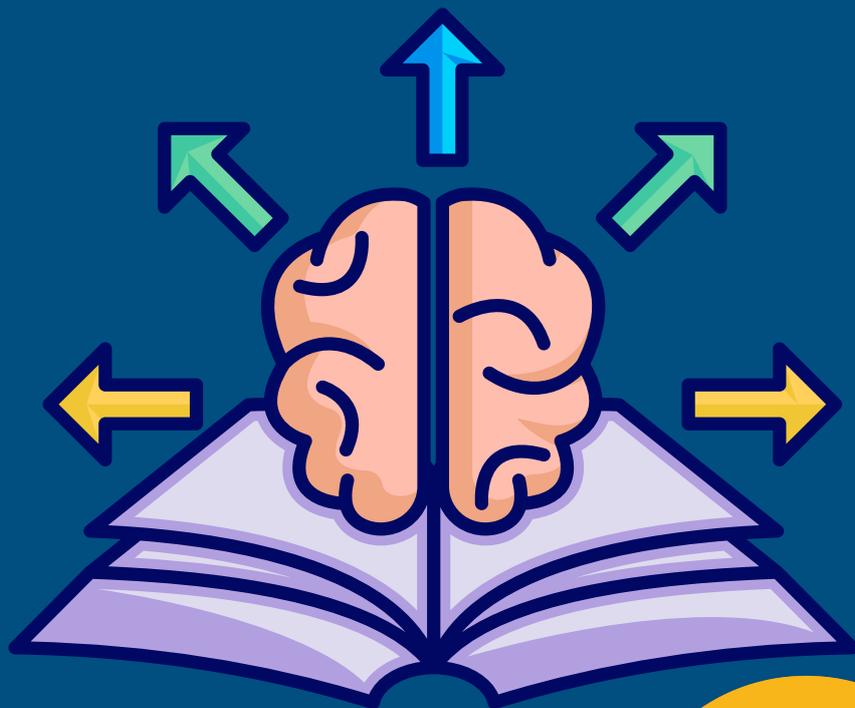

Value Education sessions on 'sharing and caring' were held, featuring story narration and thoughtful activities. Students learned about empathy, kindness, and social responsibility, developing essential life skills.

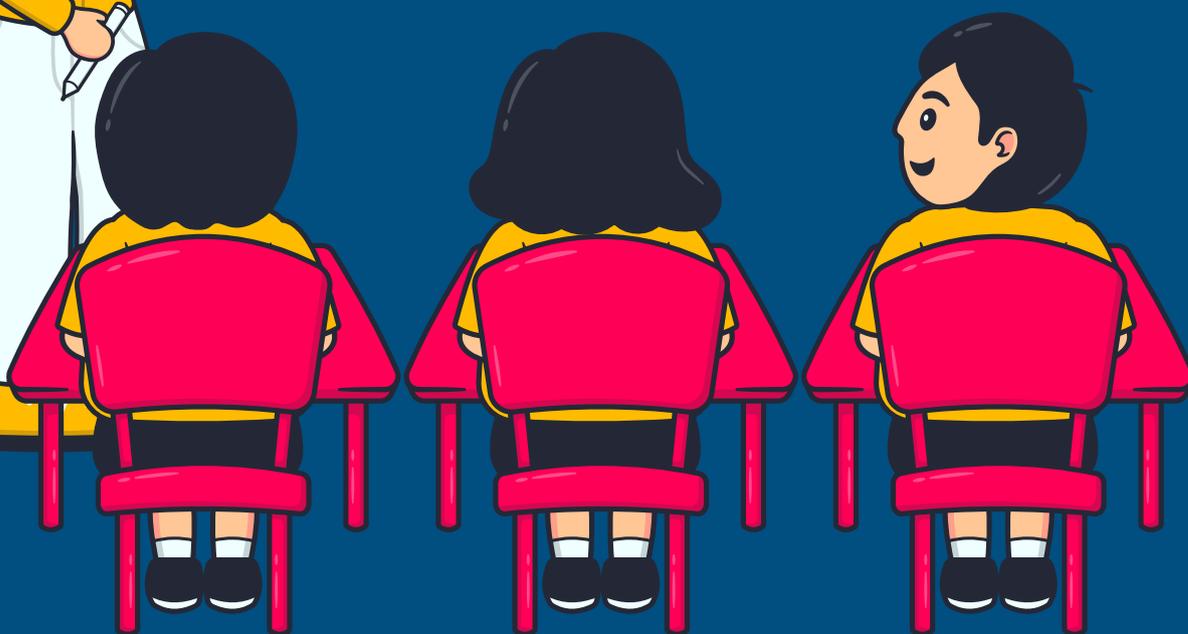

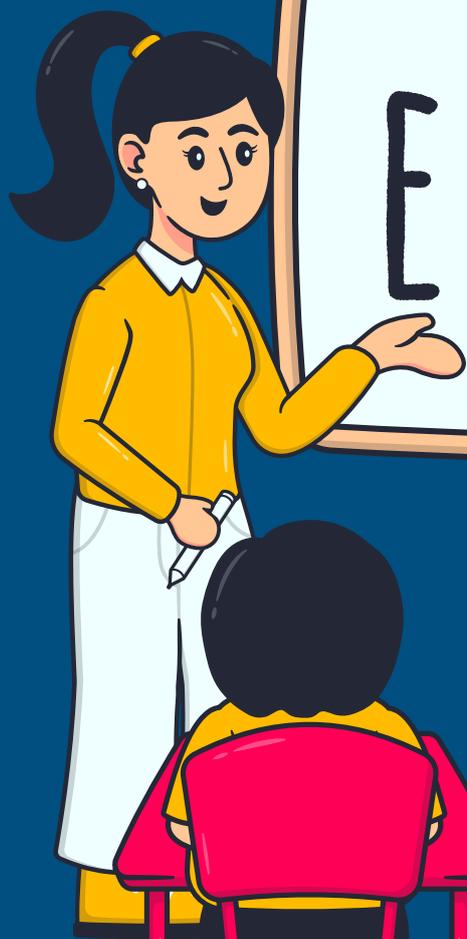

The **MORE** you **REFLECT** the **MORE** you **LEARN**

SUBJECT ENRICHMENT ACTIVITIES

ENGLISH

Character Sketch

Art Integration Activity -

"Stories are seeds that bloom into wisdom."

An engaging activity was conducted for the students of Grade IV, wherein they created a paper flower and wrote the characteristics of the main character, Shui, on its petals. The activity was based on the Chinese folk tale "The Empty Pot."

Students participated enthusiastically, thoughtfully reflecting on Shui's honesty, courage, and determination. This creative task not only deepened their understanding of the story but also helped enhance their ability to analyse characters in a fun and meaningful way.

ENGLISH NEWSPAPER ACTIVITY

CLASS -IV
22.04.2025

"Newspaper is a window to the world and a page full of learning."

A newspaper activity was conducted for the students of Grade IV to reinforce the concept of nouns. In this activity, students were given newspaper cuttings and were asked to circle proper nouns and underline common nouns.

The hands-on activity made learning interactive and enjoyable. It enriched their understanding of nouns and helped them apply grammar concepts in a real-life context. The students participated enthusiastically and showed keen interest throughout the session.

Students of Class 2 participated enthusiastically in the “Noun Collage Craft – A Colourful World of Words” activity. They showcased their creativity and confidently spoke one sentence about each noun selected. The engaging activity made learning nouns enjoyable and helped students express themselves through art and language.

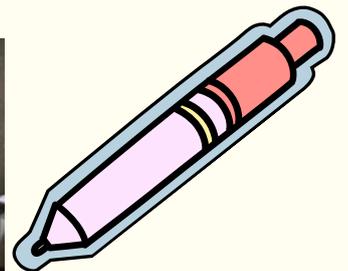

A Colourful World of Words

Class II 28-04-25

Creativity is intelligence having fun.” – Albert Einstein

FACTS ABOUT HONEYBEES

Class IV

28-04-25

"Busy bees in hives of gold,
secrets of nature they unfold."

An engaging activity was conducted for the students of Grade 4, where they gathered and shared amazing facts about honey bees. From how honey is made to the roles of different bees, students brought in fascinating insights.

The activity sparked curiosity, improved research skills, and enhanced critical thinking. It was a joyful learning experience that deepened their understanding of the tiny yet mighty honey bee.

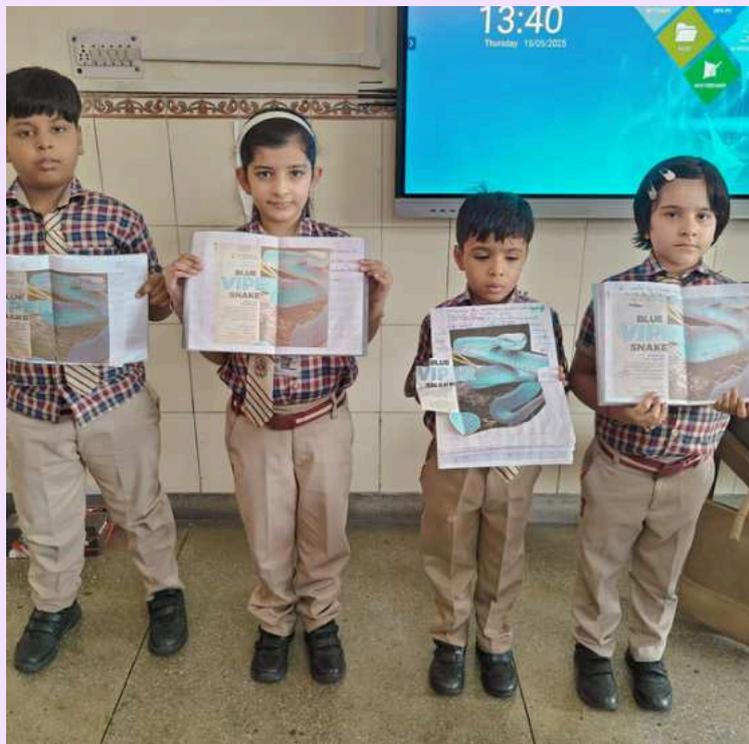

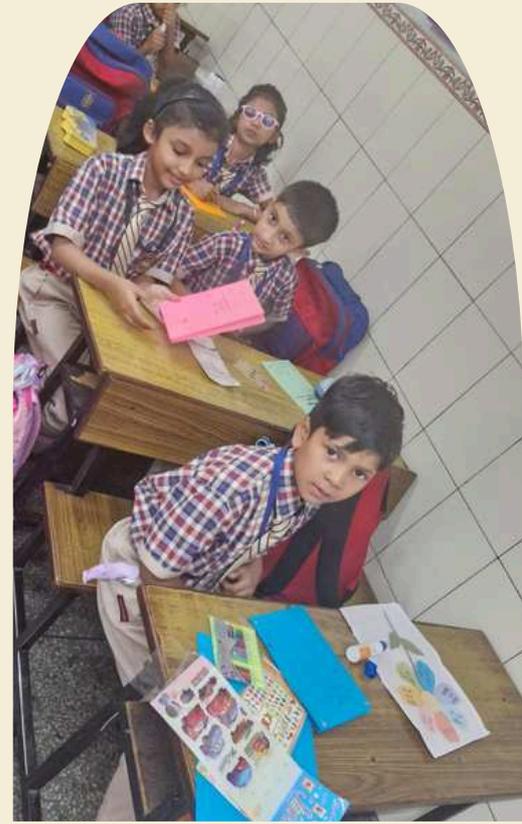

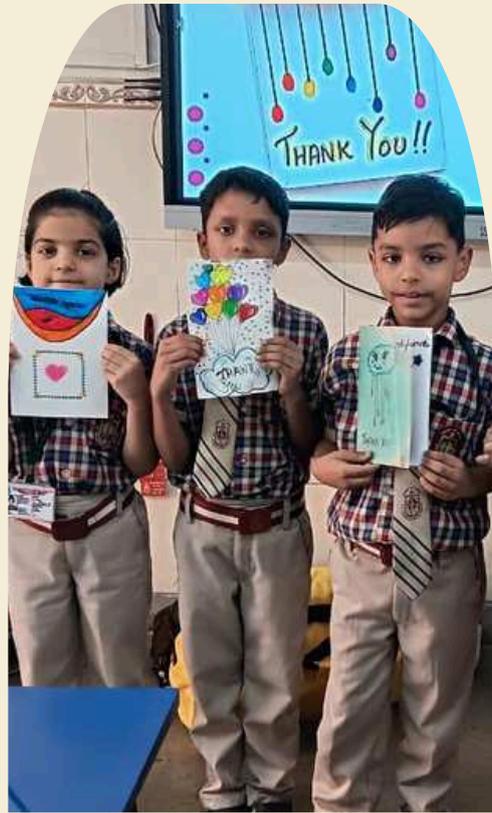

Newspaper Activity (Kinds of Nouns)

Class -III
30.04.25

The window of the world can be covered with a newspaper.'

A newspaper activity was conducted for the students of class 3 which helped in the recapitulation of the grammar topic - 'Kinds of Nouns '. The students were asked to find out nouns from a newspaper article and categorise them under common and proper nouns. This exercise also made students aware about a different species of snake- Blue Viper Snake. The students enjoyed doing this activity

“Grandparents make the world a little softer, a little kinder, and a little warmer.”

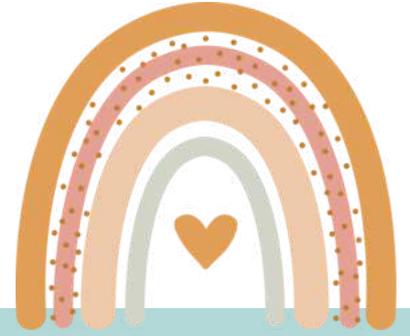

Students made thank you cards for their grandparents as part of the English lesson to express love and gratitude. The activity encouraged emotional expression and improved writing skills.

'Prominence of Dandelions'

Class III

16.05.25

English
Topic-

' Finding beauty in the simplest things: a dandelion in the field.'

In a vibrant display of creativity, students of Class 3 participated in an activity that highlighted the remarkable benefits of dandelions. By crafting dandelion flowers using yellow petal cutouts and writing about their medicinal and ecological significance, students demonstrated their newfound appreciation for these humble flowers.

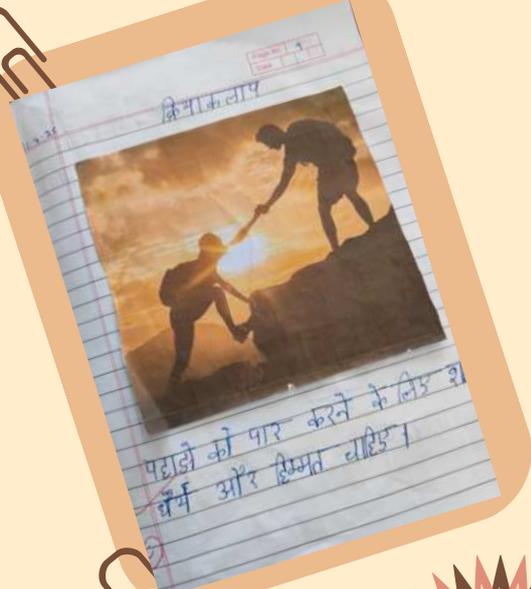

हिन्दी

विचारात्मक अभिव्यक्ति (बाधाओं से बाहर कैसे निकलें?)

चुनौतियाँ ही जीवन को दिलचस्प बनाती हैं और उन पर विजय प्राप्त करना ही जीवन को अर्थ देता है।"

कक्षा पाँचवीं के विद्यार्थियों में सूझ-बूझ, लगेन, आत्मविश्वास जैसे गुणों को विकसित करने के लिए 'बाधाओं से बाहर कैसे निकलें?' विषय पर चर्चा की गई। इस गतिविधि का मुख्य उद्देश्य विद्यार्थियों को चुनौतियों का सामना करने और उनसे उबरने के लिए व्यावहारिक दृष्टिकोणों का पता लगाने में मदद करना था। उन्हें व्यक्तिगत जीवन में सामने आने वाली विशिष्ट बाधाओं को पहचानने के लिए प्रोत्साहित किया गया। सकारात्मक और विकास-उन्मुख मानसिकता के महत्त्व पर चर्चा की गई। विभिन्न समस्या-समाधान तकनीकों का परिचय दिया गया, जैसे कि बाधाओं को छोटे, प्रबंधनीय भागों में तोड़ना और संभावित समाधानों पर विचार-मंथन करना आदि। उन्हें असफलताओं से सीखने और अपने लक्ष्यों को प्राप्त करने के लिए प्रयास जारी रखने की सीख दी गई।

संज्ञा शब्द रेल गतिविधि

"संज्ञा शब्द रेल आई" ज्ञान की रफ्तार लाई!"

कक्षा तीसरी के छात्रों ने हिंदी व्याकरण को रोचक और रचनात्मक ढंग से सीखने के उद्देश्य से "संज्ञा शब्द रेल" गतिविधि में भाग लिया। इस गतिविधि के माध्यम से छात्रों ने संज्ञा शब्दों की पहचान और प्रयोग को खेल-खेल में सीखा। बच्चों ने प्राणी, स्थान और वस्तु संज्ञा के उदाहरणों को रेल के क्रम में सजाया, जिससे एक आकर्षक "संज्ञा शब्द रेल" तैयार हुई। इस गतिविधि से बच्चों में संज्ञा की पहचान करने की क्षमता बढ़ी। कक्षा का वातावरण उत्साहपूर्ण और शिक्षाप्रद रहा।

जंगल का दृश्य गतिविधि

कक्षा तीसरी में एक रोचक क्रियाकलाप आयोजित किया गया। इस गतिविधि का उद्देश्य विद्यार्थियों में लेखन कौशल, पर्यावरण के प्रति जागरूकता तथा प्रस्तुतीकरण की क्षमता को विकसित करना था।

इस क्रियाकलाप में छात्रों को जंगल में पाए जाने वाले किसी एक पशु या पक्षी का चित्र ए-4 शीट पर चिपकाना था तथा उसके स्वभाव से संबंधित 2-3 वाक्य याद कर कक्षा में लिखने थे। छात्रों ने इस कार्य को बड़े उत्साह और रचनात्मकता के साथ पूरा किया। किसी ने शेर को चुना, तो किसी ने मोर, हाथी, तोता या खरगोश जैसे अन्य प्राणियों को। चित्र सुंदर और आकर्षक थे, और वाक्यों के माध्यम से बच्चों ने पशु-पक्षियों की विशेषताओं को सरल शब्दों में प्रस्तुत किया। इस गतिविधि के माध्यम से बच्चों ने विभिन्न जीवों के बारे में जानकारी प्राप्त की तथा उनमें अपने विचारों को व्यक्त करने का आत्मविश्वास भी विकसित हुआ।

मैं कौन हूँ ? - गतिविधि

इस क्रियाकलाप के माध्यम से विद्यार्थियों ने नए नए संज्ञा शब्दों की पहचान की और उनके उपयोग को व्यावहारिक रूप से समझा।

अध्यापिकाओं के निर्देशानुसार सुंदर चित्रों द्वारा दर्शा कर क्रियाकलाप को उत्साहपूर्वक पूर्ण किया।

“मैं कौन हूँ” विषय पर आधारित संज्ञा क्रियाकलाप कक्षा में करवाया गया। यह एक रोचक और रचनात्मक भाषा गतिविधि है, जिसका उद्देश्य संज्ञा की पहचान, शब्दों का प्रयोग व भाषा तथा रचनात्मक प्रस्तुतीकरण सीखना था।

“मैं कौन हूँ” संज्ञा क्रियाकलाप न केवल भाषा कौशल को बढ़ाने वाला एक प्रभावशाली माध्यम रहा, बल्कि यह गतिविधि शिक्षाप्रद और आनंददायक भी रही।

MATHEMATICS

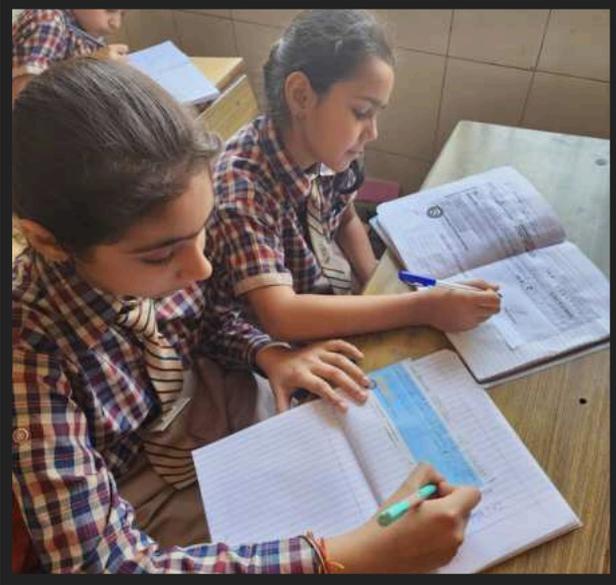

Writing a Cheque

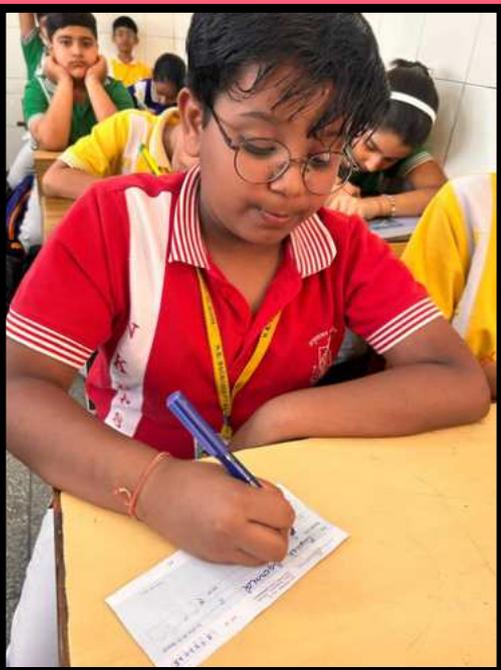

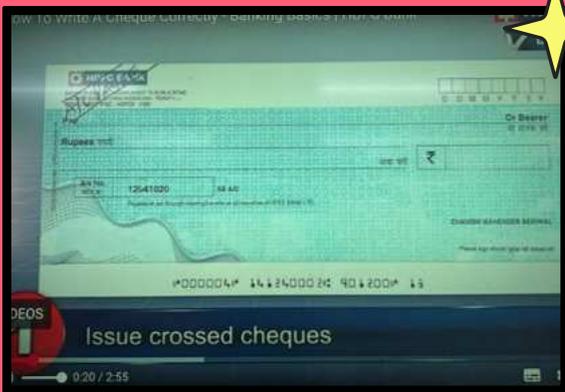

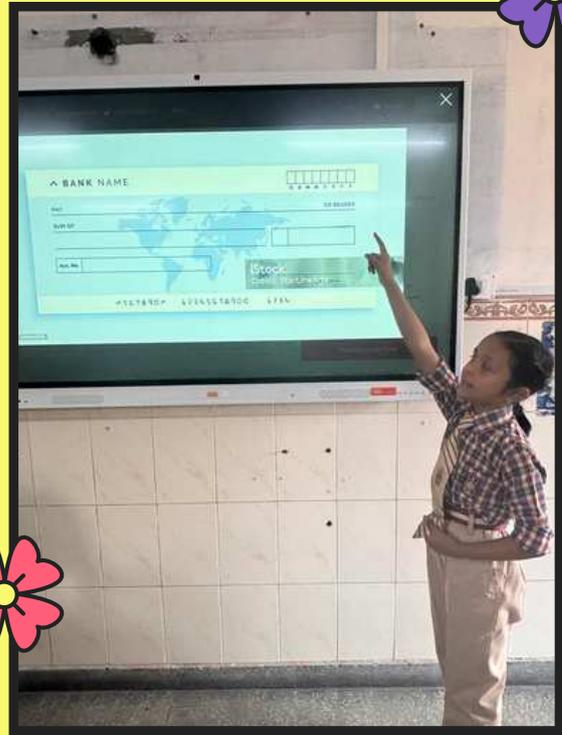

Class V

15-04-25

'Without Mathematics, there's nothing you can do. Everything around you is Mathematics. Everything around you is numbers.' – Shakuntala Devi

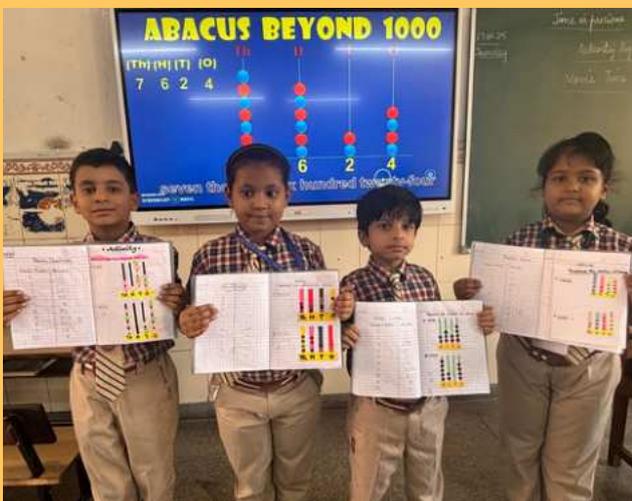

An interesting activity was conducted with the students of Class V to familiarise them with the components of a cheque and also to reinforce basic mathematical concept of writing amount in figures and in words. Through this activity, students honed their mathematical abilities and gained valuable insights into financial responsibility. By understanding the do's and don'ts associated with writing cheques, they were better equipped to navigate real world financial transactions with confidence and accuracy.

Place Value

Class IV

15.04.25

Students of Grade IV participated in an engaging activity on place value. Through group discussions and hands-on practice, students learned to write number names, round off the numbers and represent the numbers on Abacus. The activity helped them strengthen their understanding of place value in a fun and interactive way.

CLASS-1 NUMBER GRID ACTIVITY

09.04.2025

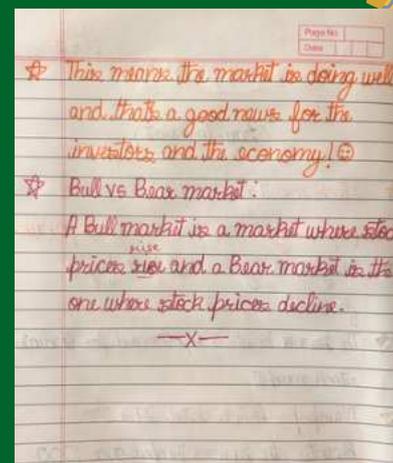

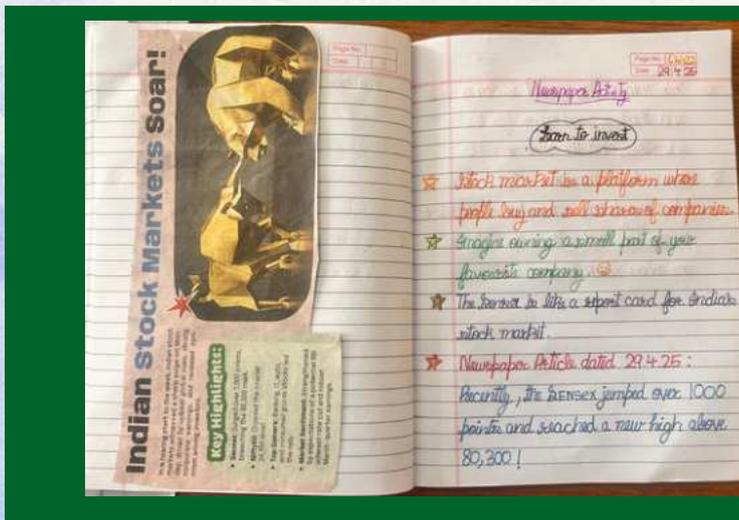

**" Maths implies Mistakes Allow
Thinking to Happen."**

Students enthusiastically participated in a number grid activity, where they were given a 1-100 grid and instructed to colour specific numbers. This engaging exercise not only fostered active learning but also significantly improved their number recognition skills from 1 to 100. The majority of students demonstrated remarkable independence, successfully following the teacher's instructions without assistance.

Students of Class 5 participated in a newspaper activity exploring basic concepts of the stock market, shares, and investment. Through group analysis and discussion, they gained knowledge of key terms like stocks, shares, market trends, and economy. The activity introduced them to fundamental concepts, such as stocks representing company ownership and shares being traded on markets, while highlighting the importance of investment and risk. Students developed critical thinking skills and showed enthusiasm for learning about financial markets.

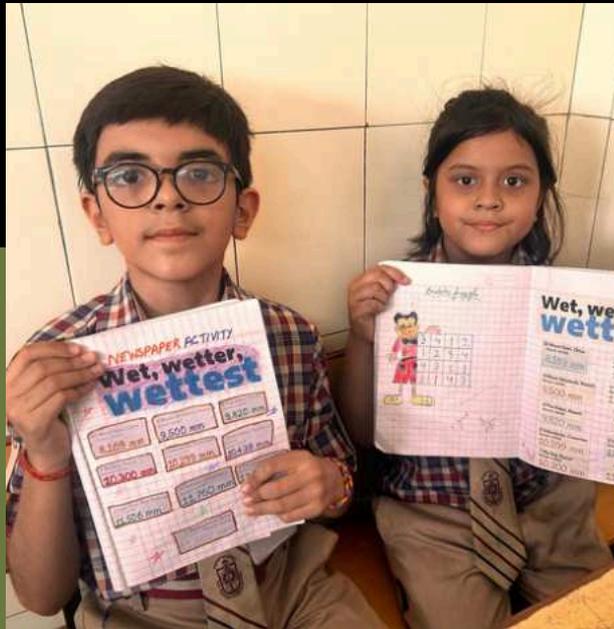

MATHEMATICS

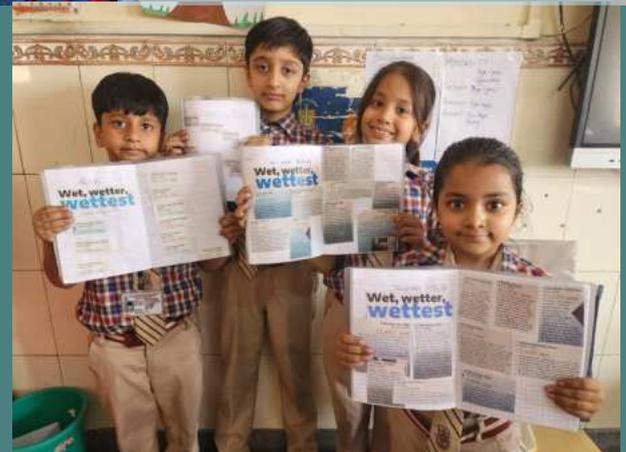

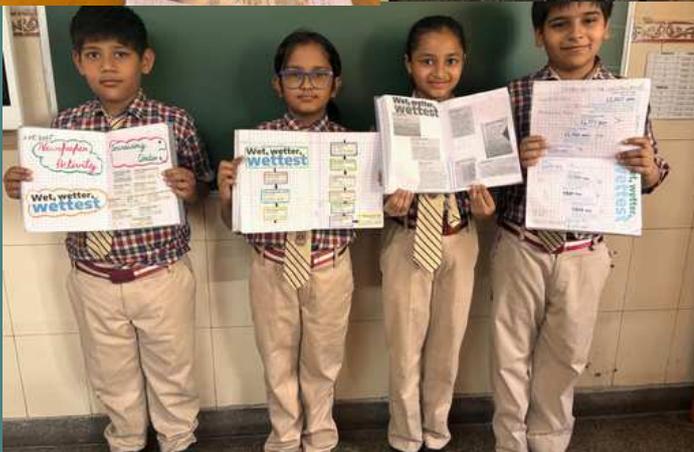

NEWSPAPER ACTIVITY

Students of Class III & IV participated in a newspaper activity where they arranged the annual rainfall data of different places in increasing order. They collected information from newspaper and noted down the rainfall measurements of various cities and towns.

The students then compared and organized the data to understand weather patterns and regional differences. This activity helped improve their data handling skills and awareness about climatic conditions across different countries.

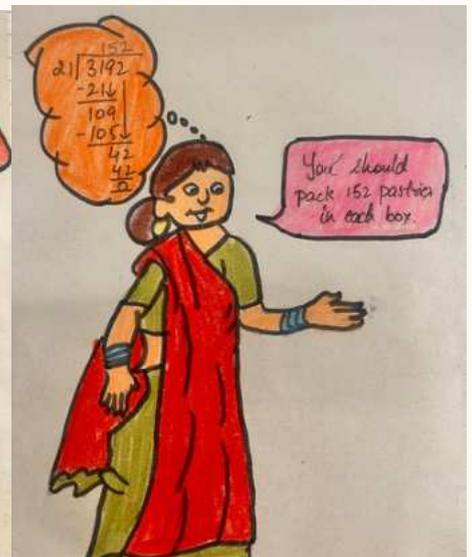

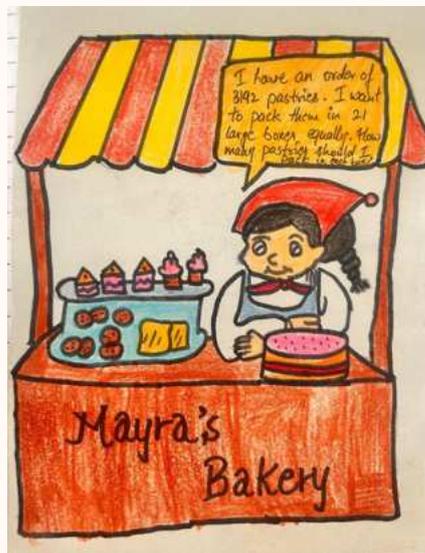

Class 5

Mathematics and Art Integration

"Mathematics, rightly viewed, possesses not only truth but supreme beauty." - Bertrand Russell

Students of Class V developed a deeper understanding of mathematical concepts through a creative and structured activity. They created cartoon strips that showcased their grasp of arithmetic operations. Students were able to visualize math concepts, apply problem-solving skills, and demonstrate proficiency in arithmetic operations through artistic representation.

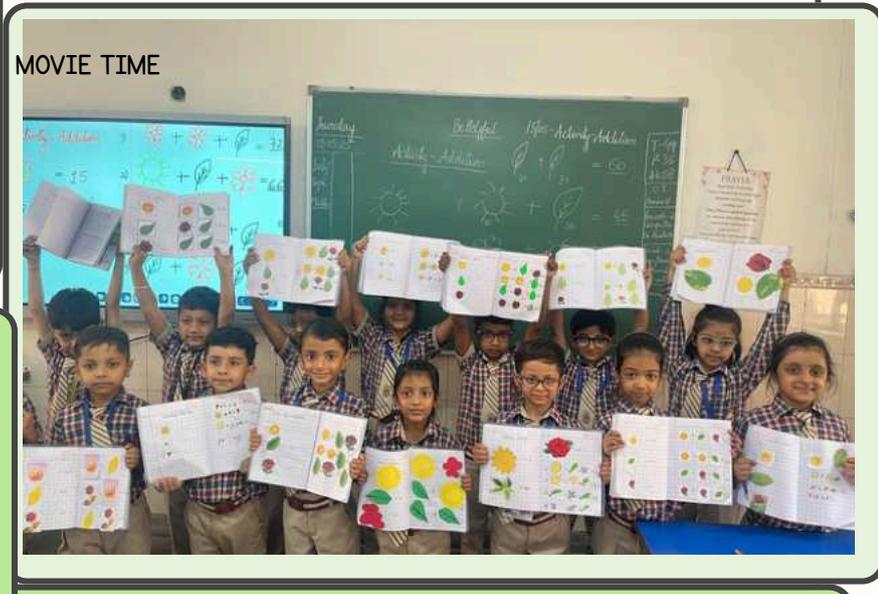

CLASS-II

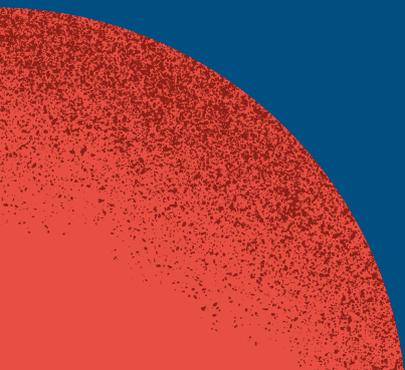

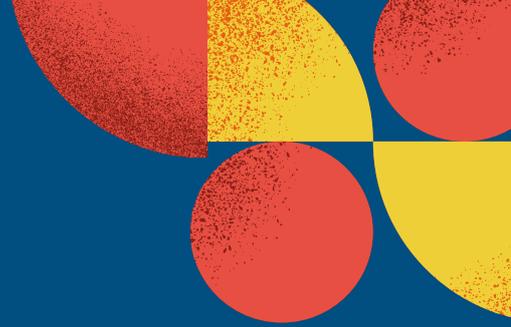

Nature NUMBER

"A picture is worth a thousand words – and sometimes, even numbers."

In a fun and engaging classroom activity, students assigned numerical values to images of the sun, leaf, and flower. Using logical thinking and basic arithmetic, they created and solved different combinations by adding the images together to find the total sum.

This visual-based mathematical challenge not only sparked curiosity but also encouraged collaboration and critical thinking among students.

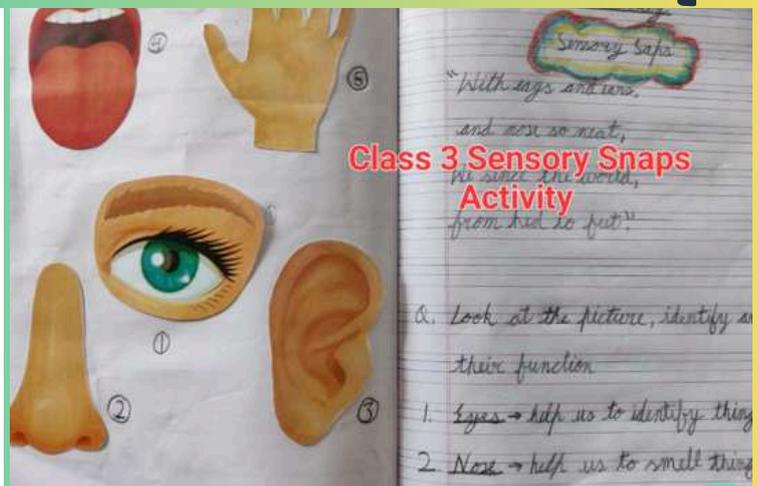

April, 9 2025

CLASS-III

EVS Activity Sensory Snaps

As part of experiential learning, Class 3 students engaged in the "Sensory Snaps" activity, exploring the fascinating world of human senses. Students creatively pasted pictures of the five sense organs – eyes, ears, nose, tongue, and skin in their notebooks. Alongside each picture, students wrote simple sentences describing the function of each sense organ, reinforcing their understanding of the topic.

"Nothing in life is to be feared. It is only to be understood." –Marie Curie

EVS

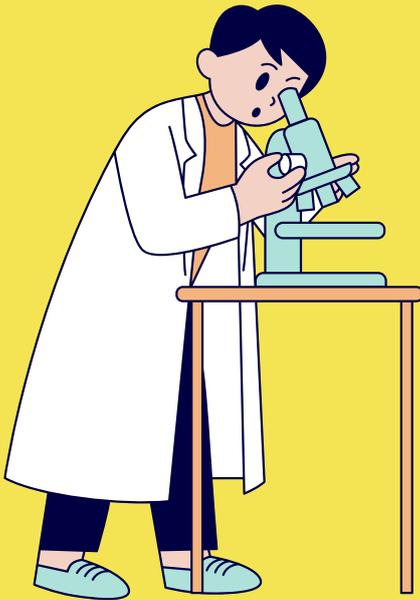

Growing non- green plants

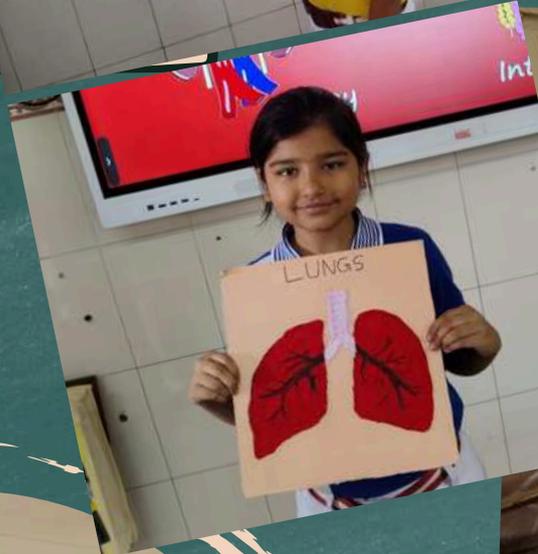

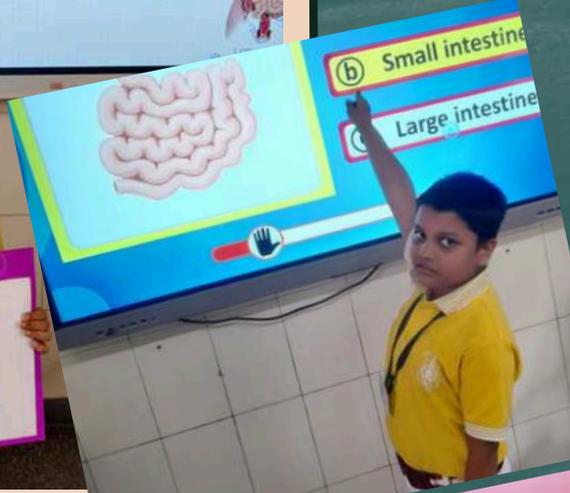

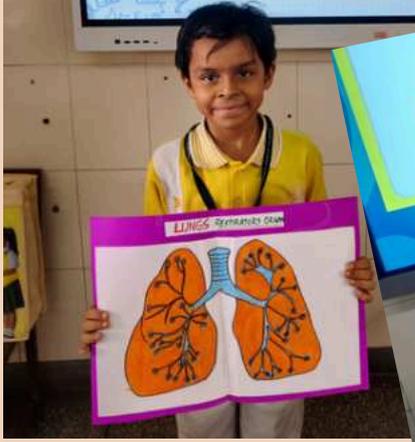

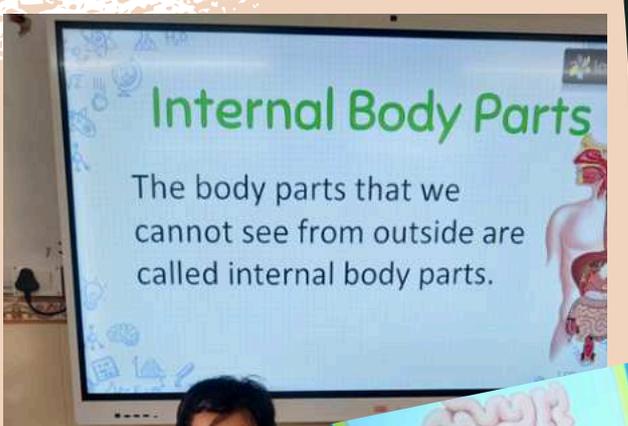

Class V

11.04.25

The students of Class V delved into the amazing world of micro-organisms. They grew bread mould and observed fungi under a microscope. The learners deduced the importance of preserving food so as to prevent spoilage due to the action of 'these tiny terrors'. Through this activity, they learnt the significance of adopting safe storage methods for foodgrains to avoid wastage. This knowledge will help to improve food safety and quality.

A quiz activity was conducted for Class 4 students to reinforce their understanding of internal organs. The session used engaging tools such as an educational video and colourful flash cards to make the learning process interactive and enjoyable. The activity encouraged active participation and improved students' recall through visual learning.

15.04.2025

Nutrition Rainbow Plate Activity

Class 3 students participated in a colourful Nutrition Rainbow Plate activity as part of their EVS lesson. They pasted pictures of fruits and vegetables in rainbow colours to learn about healthy eating. The activity highlighted the importance of including a variety of colourful foods in daily meals. Students enthusiastically showcased their creativity while learning about nutrition. It was a fun and educational experience for all!

Sprouts Salad Making

Class IV

8 May 2025

Class 4 students took part in a Sprouts Salad Making activity. They brought soaked sprouts and vegetables from home and prepared a healthy salad with the help of their teachers. Sprouts are rich in protein, fiber, and vitamins, making them a very nutritious food. The activity was fun and helped students learn the value of healthy eating.

FILTRATION OF WATER

Pure water runs life

Water is life itself so, it should be pure and free from contaminants.

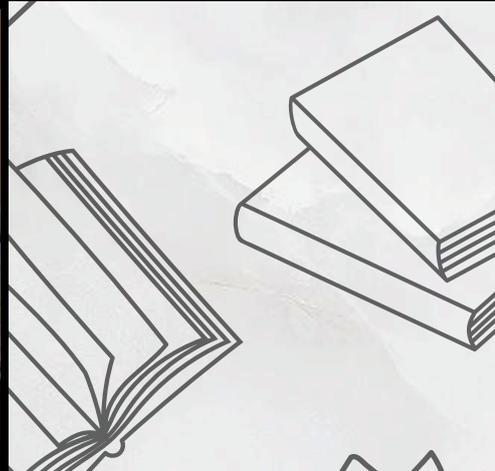

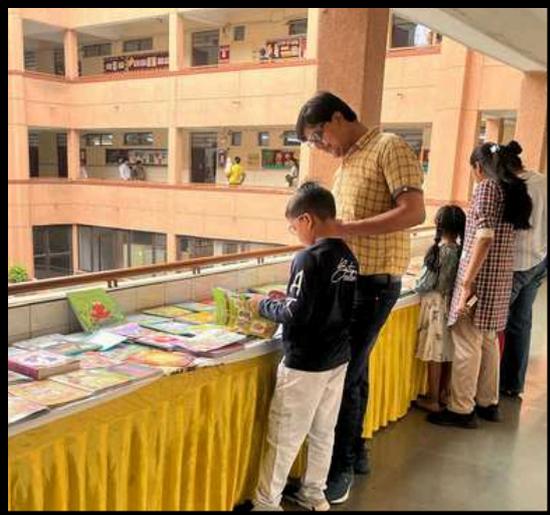

The students of Class V participated in a demonstration exhibiting the filtration of water in the General Science Laboratory. They understood the importance of the universal solvent in sustaining, maintaining and regulating various life processes. The young learners understood about the need for conservation and judicious use of this precious natural resource through effective steps to ensure that it is not polluted or wasted

ACTIVITY AGAINST SWIMMING

A Tribute to Mothers

CLASS-II

A mother's love is the fuel that enables a normal human being to do the impossible."

– Marion C. Garretty

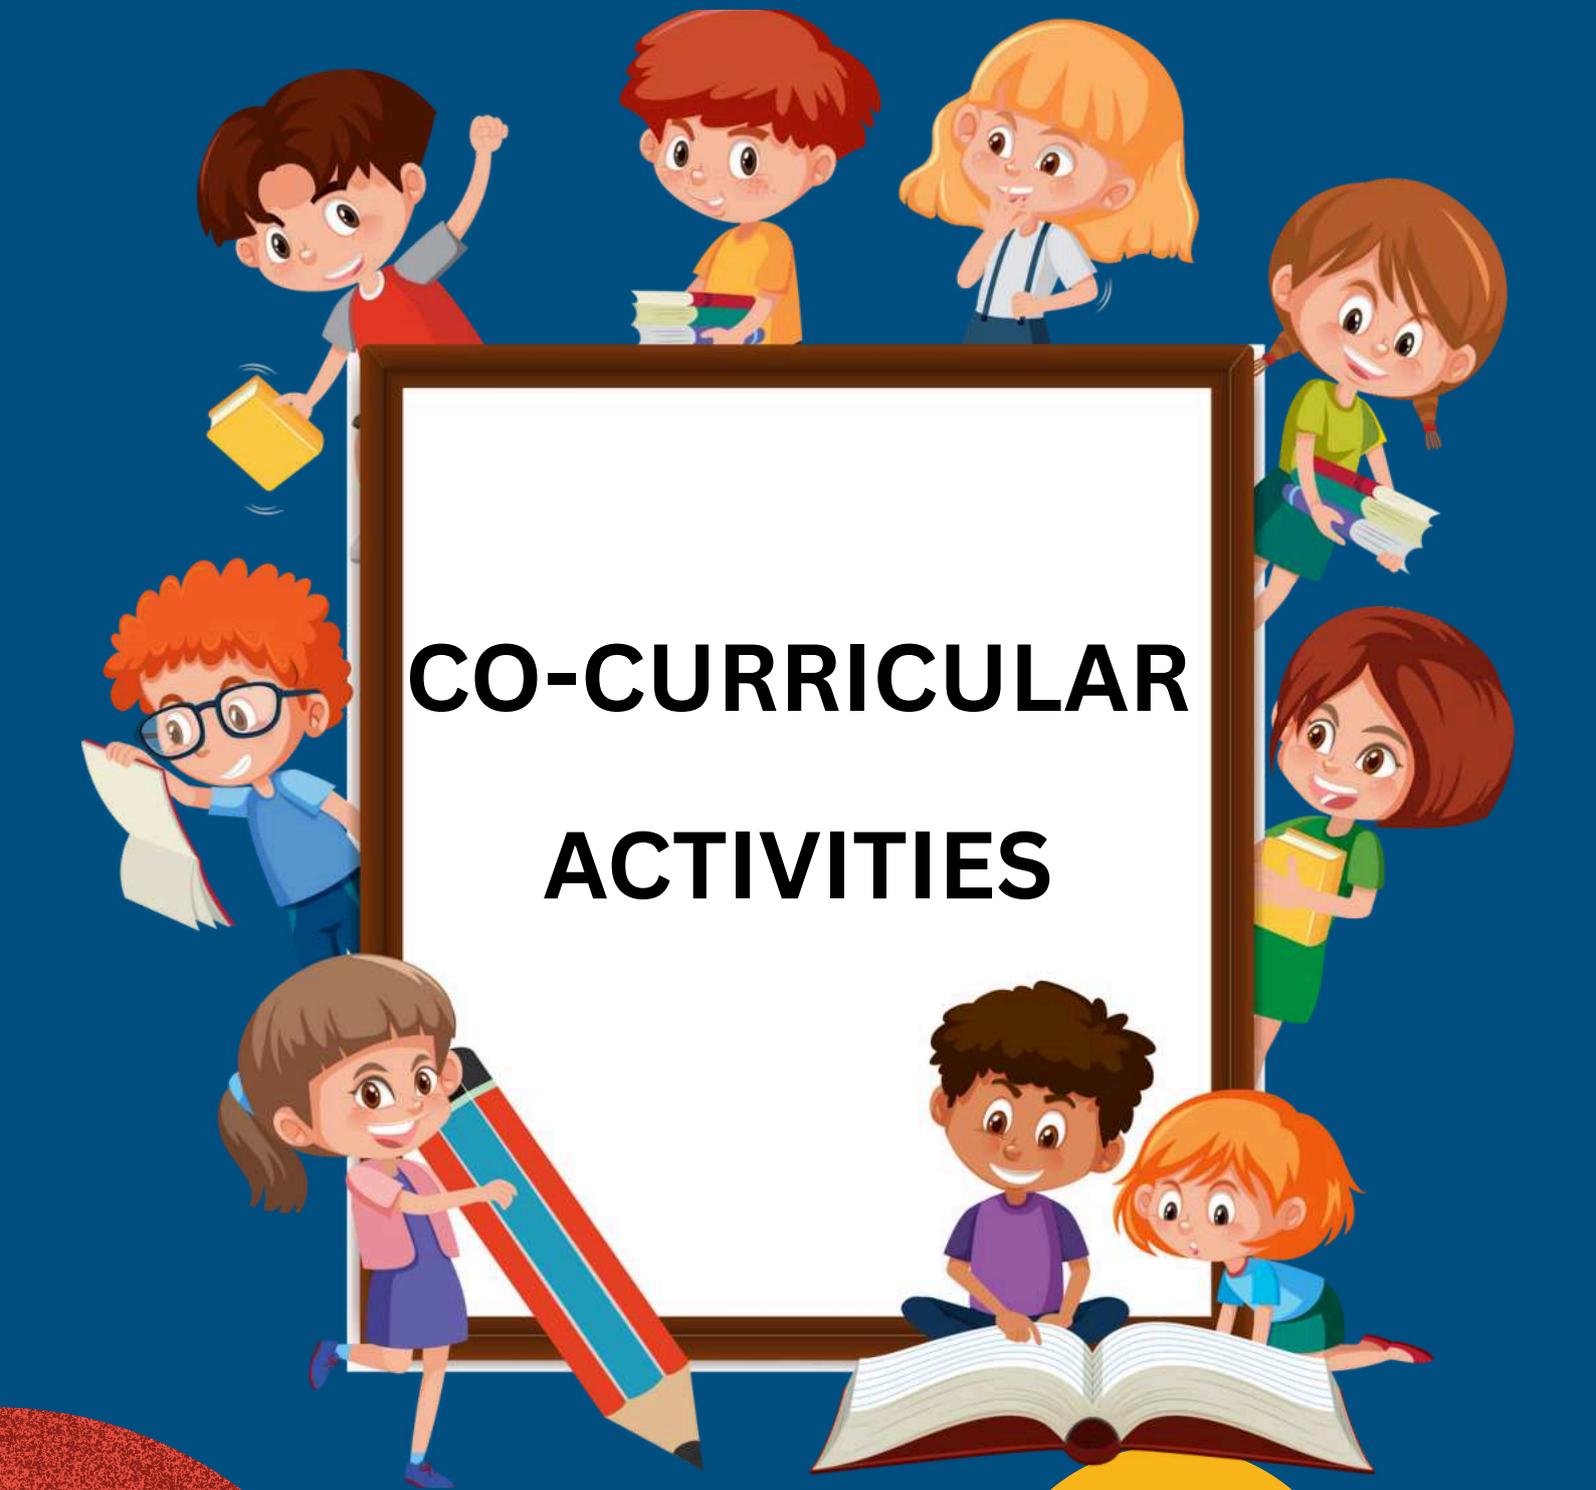

To celebrate Mother's Day, the students of Class 2 participated in a heartwarming activity, crafting vibrant Gratitude Flowers as tokens of love and appreciation for their mothers. Each child beautifully decorated their flower using their creativity and expressed the many wonderful things their mother does for them through heartfelt messages on the petals. The young learners participated with great enthusiasm and joy, making the activity a truly memorable and meaningful experience.

ACTIVITY AGAINST SWIMMING

The students explored a fun and simple technique of painting a flower using everyday ear buds! Instead of traditional brushes, students used the soft tips of earbuds to dab and blend vibrant colors, creating beautiful floral patterns. This method encourages creativity, improves motor skills, and introduces an accessible way to enjoy painting.

BAG-FREE BONANZA

Bagfree Bonanza
Class I
16.05.25

Class 1 students celebrated Bagless Day with enthusiasm as part of Fun & Learn Day. The event featured engaging activities like fruit chaat making, free-hand drawing, story narration, and a lively dance session. These hands-on experiences promoted creativity, healthy eating habits, communication, and confidence, making learning a joyful and enriching experience beyond the classroom.

Bagless Day – Class II

16.05.25

Class 2 celebrated Bagless Day with excitement and enthusiasm. The day featured a lively talent show, chaat-making activity, a video on classroom manners, an energetic Zumba session, and a “Best out of Waste” exhibition. It was a joyful blend of fun, creativity, and valuable life skills.

BAGLESS DAY
CLASS III
16.05.25

Class III students enjoyed a fun-filled Bagless Day on 16th May 2025, engaging in creative, hands-on activities that blended learning with joy. Students prepared a healthy Makhana Chaat. Subject Enrichment activities were taken up. The day was a perfect blend of fun, learning, and creativity.

**FUN AT
SCHOOL**

BAGLESS DAY CLASS - IV

Class IV celebrated Bagless Day with fun-filled activities that blended learning and creativity. Students recited poems in tribute to mothers, played ball and board games promoting teamwork, enjoyed a movie, and designed notebook covers using newspapers. It was a joyful day of expression, bonding, and life skill development.

Bagless Day Class - V

Class V enjoyed a vibrant Bag Free Bonanza filled with creativity and fun. Highlights included preparing summer delicacies, designing and printing artwork, an Art Spark session with Pidilite, and a special movie show. The day fostered teamwork, creativity, and hands-on learning.

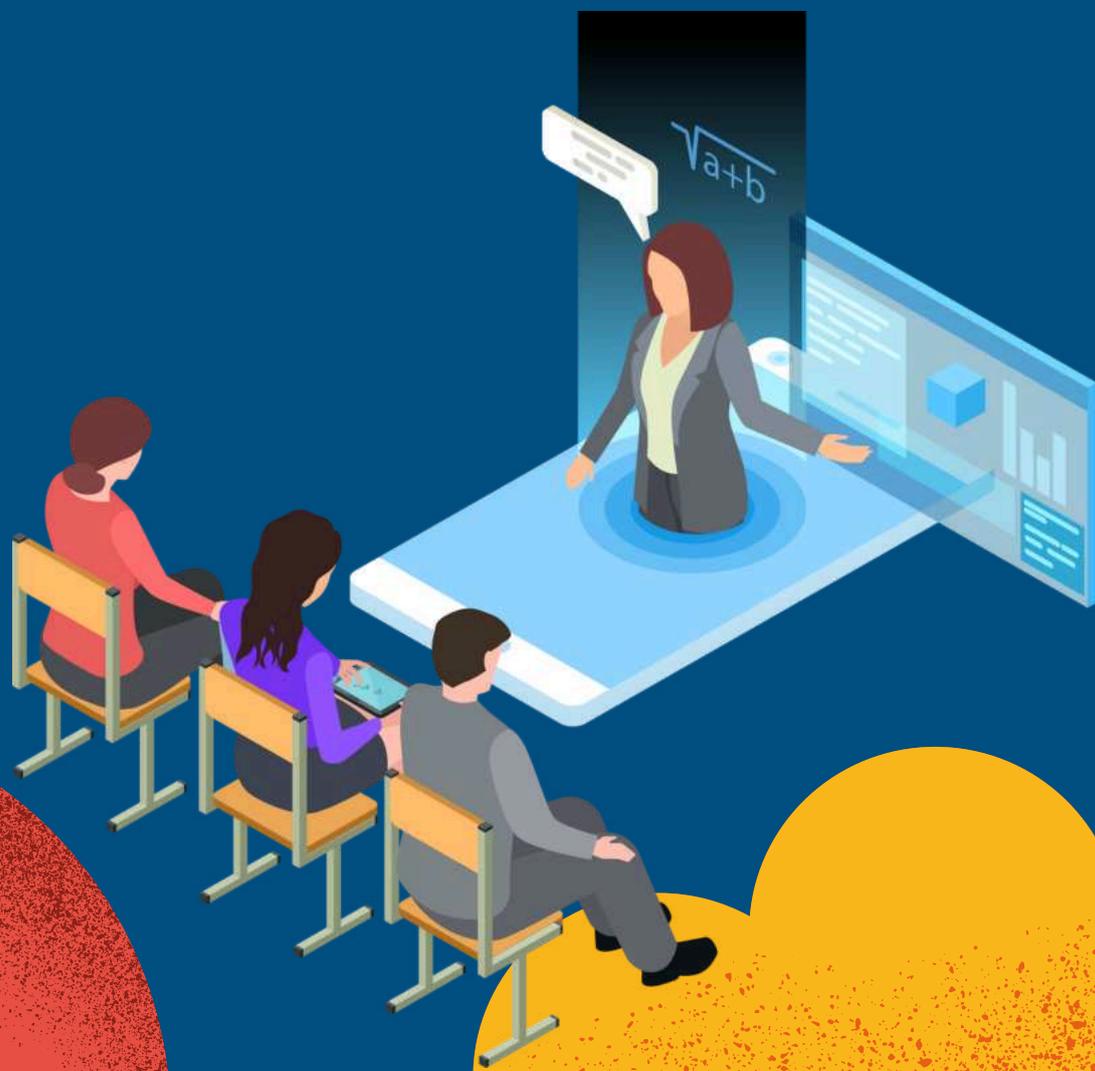

ART SPARK

The workshop was a creative success. The students of Class V learnt to polish and display their artistic talents. They brought their artistic visions to life as they designed and personalized their own mugs using various art techniques.

STAFF DEVELOPMENT PROGRAMME

Educators' *Edge*

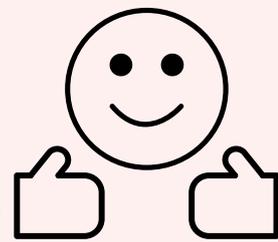

Dear Students

“The expert in anything was once a beginner.” – Helen Hayes

STRESS
FREE
ZONE

Exams can feel a little stressful sometimes, but there are simple ways to stay calm and do your best. Getting enough sleep helps your brain stay sharp, and eating healthy foods give you the energy to think clearly. Take short breaks while studying so your mind can rest and try deep breathing if you start to feel nervous. Talking to a parent, teacher, or friend can also help you feel better. Make a small study plan and review a little each day. Most importantly, believe in yourself and remember that every step you take helps you grow.

“Mistakes are proof that you are trying.”

– Jennifer Lim

Examination Incharge
Ms. Maneesh Bhardwaj

युद्ध नहीं, विराम चाहिए

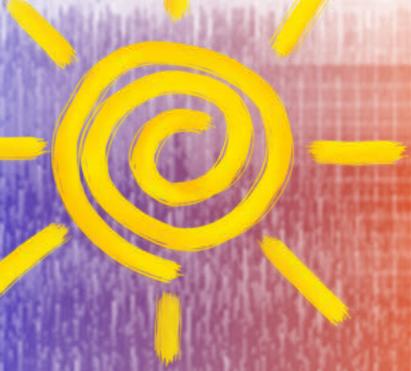

इन अनगिनत कोलाहल से विश्राम चाहिए,
युद्ध नहीं, विराम चाहिए।
चहूँ दिशाओं में फैला हाहाकार,
डर, खामोशी से सहमा आज का काल,
बिलखते बालों की चीख पुकार,
परिजनों की चिल्लाहट, महिलाओं का चीत्कार,
ये बम-धमाके, ये आतंक न जाने कब थमेगा।
नौनिहालों के दिलों में कब ममत्व भरेगा।
सैन्य बल अदम्य साहस से प्रयासरत हैं,
जल, थल, वायु के योद्धा परचम लहराने के लिए कार्यरत हैं,
आतंकवाद को अस्तित्वहीन करने की योजनाएँ तैयार हैं,
सरहद पर सहिष्णुता का माहौल चाहिए,
जनता की आर्तनाद का जवाब चाहिए,
आतंकियों का समूल नाश चाहिए।
इन अनगिनत कोलाहल से विश्राम चाहिए,
युद्ध नहीं, विराम चाहिए।

युद्ध की विभीषिका के बीच
आज विराम का आगाज़ हो गया,
जैसे सीमावर्ती क्षेत्रों के निवासियों के
दिलों में करार आ गया।
ड्रोन, मिसाइलों की धमाचौकड़ी से मुक्त हुआ ये व्योम है।
वातावरण में व्याप्त हुआ ओ३म् (ॐ) है।

श्रीमती अमिता व्यास
हिन्दी अध्यापिका

***Wishing you all a wonderful
summer vacation filled with
joy, laughter and
unforgettable memories!***

*Thank
You*
