The school will remain closed for Summer Vacation from May 16 to July 1, 2026, with classes resuming on Thursday, July 2, 2026. During this period, students are expected to complete their Holiday Homework, which focuses on creative and competency-based projects.

Holiday Homework can be accessed at the link shared below:

All assignments should be neatly compiled and submitted to the respective subject teachers as and when informed.

To ensure a healthy and productive break, we suggest the following:

-  Stay hydrated and follow a balanced routine to beat the summer heat.
-  Limit screen time and engage in outdoor play or physical exercise during cooler hours.
-  Immerse yourselves in diverse literary works to broaden your horizons and enrich your vocabulary.
-  Dedicate time daily to reading or exploring a creative hobby.
-  Practice mindfulness and spend quality time with family and friends.

We wish all our students a safe and joyful summer!
